Sir,

Adverting to para 2 of G. O. dated 29th March 1871 No. 198, I have the honor to enclose original affidavits and depositions of two out of the three individuals therein referred to, and their witnesses respectively.

The following points have been proved regularly.

1. Yusuf Khan.— He was appointed first as Revenue Peon in the Kurapad Taluq, was afterwards transferred to Tenali and then at his own request to Ponnur.

On what dates these appointments and transfers took place is not stated by the witnesses. If we may accept the applicant's statement made on solemn affirmation, it appears that he served for 28 years as shewn in the margin, which is not verified by our records.

A Revenue Peon in Kurapad 8 years.
Do. in Tenali 10 .
Do. Ponnur 10 .
28 .

2. Gopu Venkataswami.— Began service at Tenali, was afterwards a Sibbandy (old) peon in the Huzur at Guntur and then promoted to a Naik-ship at

the same station and then to an Havildarship: the whole of this service embracing a period of 26 years 11 months 30 days, or 27 years in round numbers. Applicant's witnesses have not been able to say any thing with reference to the precise date of his original appointment or subsequent promotions, except that witness No. 1 says that applicant was at Tenali for more than 5 years, and many years on the Sibbandy Establishment. Witness No. 2 states that he originally saw applicant in service at Tenali in 1836 and again found him there after a period of three years. In 1841 he saw applicant on the Guntur Sibbandy Establishment as a peon and in 1858 as a Naik.

It must also be added that in the pay abstract for July 1857 which is the only one available, it is stated that applicants previous service was 23 years. This figure appears to be correct as the old Sibbandy force was absorbed into the new Mofussil Police Force in the closing part of 1861: this granted, applicant's entire service before enlistment into the Mofussil Police Force would amount to nearly 27 years, which is just the period claimed by him.

I have not included in the above calculation with regard to both these individuals, their services in the Mofussil Police.

Evidence regarding the 3rd individual will Syad Hussain be submitted after he has appeared before the Magistrate with his witnesses

I have the honor to be
Your Most hu Obedient Servant
J. Boswell

DY. Constable Ootacamund. 11 Sept. 1871. No. 464.

The Govt. consider Sopu Venkataswami's service from 1834 sufficiently proved, & resolve to grant him a compassionate allowance ~~of half pay or Rs. 3~~ of Rs 4 per mensem with effect from 2nd June 1870.

2. The evidence in the case of Yusuf Khan is not so satisfactory. The precise periods of service in the different appointments rest chiefly on his unsupported statements but the depositions of his witnesses prove that he has been in the service ~~for~~ in those appointments for a considerable time & the Govt. do not see any grounds to suspect his statements. The G. in C. is therefore pleased to grant him a compassionate allowance of half pay or Rs 3 per mensem with effect from the 2nd June 1870.
