SIR,

In continuation of my letter No. 2153 dated 24th July 1871, I have the honor to enclose affidavits taken by me and Mr. Sub Collector Wilson from Syed Hussain & his two witnesses respectively.

2. From Applicant's affidavit, it appears that he was first employed in Government Service by Mr Mason in the year Nandana (1832). From the register of application forwarded by the Police Department, the first year of his service would appear to have been 1831. The discrepancy is accounted for as follows:–

3. The unverified service of applicant amounted to 19 years counted backwards from 15th July 1850, the date of his appointment in Tumurkota Taluq. In his original statement, applicant simply declared that he was 16 years in Vinukonda Taluq & 3 years in Kondavid Taluq. From this statement, it was directly inferred that he began service in 1831.

4. When he was put upon his oath, he was, this time, asked by whom he was originally appointed. If, as he stated, Mr. Mason was the Collector of Guntur at the time of applicant's appointment it must have been in 1832. Applicant, however, still states that he was ~~in~~ 16 years in one place & 3 years in the other. It ought to be 15 in the one and 3 in the other to bring him to 15th July 1850 above said, but as the first of these periods is rather too long to remember correctly, allowance

18

may be made for weak memory.

5. The error could not have been wilful on the applicant's part, as it would only diminish by one year, the period of his service, which, however, is sufficient to entitle him to a compassionate allowance.

I have the honor &c

Sir

Your most obedt Servt

Collector

Ootacamund 11 Sept 1871. No 465.

It is observed that Mr. Mason appears to have been appointed Colr. of Guntoor on the 24th June 1831, & the applicant's statement may therefore be correct. The Govt accept the Evidence tendered in support of his service from 1831 to 1870 & grant ~~him~~ Syed Hussain a compassionate allowance of Rs 3 per mensem & half Pay with effect from the 2nd June 1870.
