Proceedings of the Madras Government, Pension Department, 11th November 1864.

Read the following papers :—

From the Deputy Commissary General.

(Here enter 15th April 1864, No. 12,924.)

From the Acting Controller of Military Accounts.

(Here enter 21st October 1864, A.)

ORDER THEREON, 11th November 1864, No. 469.

The Governor in Council is pleased, in accordance with the report of the Controller of Military Accounts, and under the old Pension rules, to award to M. Sabapathy, late Storekeeper in the Commissariat Department, Kamptee, a pension of Rupees 17-8-0 for his service of 30 years, 3 months, 5 days; to J. P. D'Cruz, late Conicopoly in the same Department, Cannanore, a pension of Rupees 8, being ⅓rd his five years' average salary for his service of 22 years, 1 month, 10 days; to Canaca Sabaputty, writer in the same Department, Bellary, a pension of Rupees 10, or ⅓rd of his five years' average, for his service of 22 years, 1 month; and to Mooroogapah Moodelly, Storekeeper in the same Department at Bellary, a pension of Rupees 14 for his service of 32 years, 2 months, 7 days; all to commence from the 1st May 1863, the date on which the applicants ceased to be employed, in consequence of reductions in the Commissariat Department.

2. The Governor in Council notices with the gravest disapprobation the dilatory manner in which these applications have been passed through the offices of the Commissary General, and Controller of Military Accounts.

The latter officer seems to have received these applications on the 10th April 1864, and to have retained them, without one reference to afford an excuse for delay, till the 21st October, six months.

The Commissary General having received the several applications on the 1st and 20th June 1863, and having, as far as would appear, made no references on the subject of any of them, proceeded to pass them on to the Controller of Military Accounts for similar treatment on the 15th April 1864, *i. e.*, after 10 months' detention.

3. The Governor in Council cannot think that it ever occurred to either of these officers that the persons concerned were being left for 18 months destitute. In any case the delay is utterly inexcusable, while the officers concerned seem to have thought explanation quite uncalled for.

Sir

I have the honor to forward two Registers of applications for Superannuation Pensions for the two individuals described therein and beg to recommend them to your favorable consideration with a view to your applying to Government for their respective pensions

Mooroogapah has served Government in various capacities over an extended period of 31 years & 2½ months during which time he has borne a good character — although not arrived at advanced years he is comparatively decrepid and slow and as his appointment was abolished I have now recommended him for pension because I do not think he is either physically or mentally capable of being a useful servant of Government under the New System although he understood the routine of his former duties of Arrack Storekeeper & was attentive to them and willing to please

His age and caste are noted in the Register. He proposes to live in Bellary; he is at present unemployed, he has during a service of 32 years & 2½ months being employed as follows.

	Years	Mos	Days
Asst. Arrack Conicopoly from 20th January 1830 to 31st Oct 1837.	7 -	9 -	11.
Grain & Provision Conicopoly from 1st Nov. 1837 to 1st Oct 1838.	"	11 -	1
Cavalry Department Conicopoly from 2nd Oct 1838 to 30th Sept. 1850	12 -	" -	30
Carried forward	20 -	8 -	12

	Years	mos	days
Brought forward	20	8	12
Hospital Store Conicopoly from 1st April 1851 to 4th July 1852.	1	3	4
Arrack Conicopoly from 5th July 1852 to 23rd March 1853. & from 1st Nov. 1853 to 7th Nov. 1858.	5	8	26
Grain Conicopoly from 8th Nov. 1858 to 21st January 1859 - Field Service.		2	14
Arrack Conicopoly from 22nd Jany 1859 to 30th April 1863.	4	3	10
Total Service	32	2	6

It will be observed that he was out of employ from 23rd March 1853 to 1st Nov. 1853 and from 30th September 1850 to 1st April 1851. The latter was in consequence of the abolition of his appointment, the former was occasioned by suspension & discharge for certain carelessness & suspected fraud but his character was fully cleared from all suspicion of the latter charge & he was accordingly re-instated from 1st Nov. 1853

His general character appears from the records to have been good.

His Field Service has been small but he remained with the Column to which he was attached so long as it was in existence.

Canacasabapathy has been discharged for a similar reason to that for which Moorwogapah has been discharged viz that his appointment has been abolished and he is mentally & physically incapable of performing the duties of any other post. In fact although nominally holding for the past twelve years the post of Victualling Writer he has never performed any of the duties attaching thereto but he writes a very clear hand and has therefore been performing the duties of a copyist and I do not therefore consider him entitled to a pension Equivalent to one third of his salary for the past five years and beg to recommend him under the provisions of Para 3 Appendix No II of the Revised Pension Rules for a pension of Rupees five per month that being the third of Rupees fifteen which I consider would have been ample remuneration for the work he has been performing.

What he has done however he has done well he has always been most punctual in his attendance, has worked out of hours and has given me great satisfaction as a Copyist and he appears always to have borne a good character.

His age and caste are mentioned in the Register, he proposes to live at Bellary He is at present unemployed, he has served for a period of 22 years & four months during which he held the following appointments

	Years	Mos	days
Asst. Conicopoly in the Arrack Depart from 1st Jany 1841 to 31st October 1850	9	10	0
Hospital Store Conicopoly from 1st Nov. 1850 to 31st March 1851.		5	0

Sir

I have the honor to forward a Register for a Good Service Pension, accompanied by a Statement of Service, with testimonials of Character, for Arrack Store keeper Mylapoor Sabaputty, for your favorable Consideration, and eventual Submission to Government for their final orders thereon.

I take this opportunity of bringing to your prominent notice, the unexceptionable Character borne by the above individual during his long and faithful Service extending over a period of 30 Years, and the zeal and assiduity displayed by him in the performance of the onerous duties entrusted to him, as well as the great assistance rendered by him during the disturbances in 1857. 58. and 59 when the work devolving upon him required very great activity preseverance and bodily exertion, that I have no hesitation in recommending him strongly, so as to ensure the bestowal of a better Pension than what would ordinarily be sanctioned for long Service.

Sir,

I have the honor to submit herewith the Papers as per margin, and to inform you that the Services of the Individuals marginally named have been verified, and the results thereof noted on the back of the Registers.—

2 The Executive Commissariat Officer at Bellary proposes a Pension of Rupees 5 " " to Canacasabapathy, but the Commissary General recommends him for a Pension of ⅓ of his Salary, Rupees 30, on the ground that he has performed his duties satisfactorily and borne a good Character throughout his Service.

Mooroogappah

3. Moorogappah of the above Commissariat Department appears to have been removed on the 24th March 1853, under a suspicion of fraud but, his Character having been cleared from the suspicion, he was reinstated on the 1st November 1853; the same has been noticed on the back of the Register.

4. The Services of the above 4 Individuals having been dispensed with, consequent on the reduction of the Commissariat Department, no Medical Certificates are forwarded, agreeably to Para 9, under the head "Superannuation Allowances" of the Notification in the Fort Saint George Gazette, 3rd May 1864. —

Order thereon 11th November 1864 No 469

The Governor in Council is pleased, in accordance with the Report of the Controller of Military Accounts, and under the old Pension Rules to award to M. Sabapathy late Storekeeper in the Commissariat Departt. Kamptee a ~~good service~~ pension of Rs 17-8-- for his Service of 30-3-5- to J. P. D'Cruz late Conicopoly in the Same Departt. Cannanore a pension of Rs 8, being 1/3rd his 5 years average salary for his Service of 32-1-10- To Canacasubapatty, Writer in the same Departt. Bellary, a pension of Rs 13, or 1/3 of his 5 years average for his Service of 22-1-, and to Nuwoogapah Moodelly, Storekeeper in the Same Depart at Bellary, a ~~good service~~ Pension of of Rs 14--- for his Service of 33-2-7 all to commence from the 1st May 1863, the date on which the applicants ceased to be employed, in consequence of reductions in the Commissariat Department.

The Governor in Council notices with the gravest disapprobation [illegible] manner in which these applications have been passed thro' the offices of the Commissary General and Controller of Military Accounts.

The latter officer seems to have received these applications on the 10th April 1864, and to have retained them without one reference to afford an excuse for delay till the 21st October, 6 months.

The Commissary General having received the several applications on the 1st and 20th June 1863, and having, as far as would appear, made no references on the subject of any of them proceeded to pass them on to the Controller of Military Accounts for similar treatment on the 15th April 1864 - i.e. after 10 months detention.

The Governor in Council can not think that it ever occurred to
