I do hereby Certify that I have carefully examined Thiroomalay Row 1st Gumastah of the Nunnilum Talook (Tanjore District) and am of Opinion that from failing sight and bodily infirmity he is permanently disqualified for further active service, and that there is no likelihood of his deriving any benefit from relaxation from duty for a Period of twelve months.

I am further of Opinion that his present state of infirmity is the result of natural causes and not of any indiscretion of his own.

From

Collector of Tanjore

To

Sir,

In reply to your Memo under date the 12th August 1864 No. 113, I have the honor to return herewith the application for Pension of Tirumala Rau, a Gumastah in the Nannilum Taluk, his age having been duly certified and entered therein by the Acting Sub Collector of Tanjore as also the date from which the Pension is to begin.

2 The Medical certificate formerly forwarded to you is also returned, as it appears that there is no station in this District of the description mentioned in Page 206 of the 2d Vol: of the Fort Saint George Gazette of 1863.

3. As regards the period of Tirumala Rau's service, I have the honor to state that he has been in the Govern-

ment employ for a period of Yrs Ms Days 25 — 4 — 17 ; deducting 5 years, being his services under 22 years and the period he was in the receipt of 10 Rs or lower per mensem as also 9 months, being leave granted on private affairs, it would appear, that Yrs Ms Days 19 — 7 — 17 is the period for which he can properly claim pension under the notification published in page 640 of Vol: 2 of the Fort Saint George Gazette for 1863.

From the records of this Office it further appears that Mr Morris the late Acting Collector of this District reduced Tirumala Rau from the post of Taluk Serishtadar to that of Gumasta, on account of his "general carelessness in the performance of his duties and for failing to exercise that check over his subordinates which every Taluk Serishtadar ought to exercise." As a Gumastah in the Nannilam Taluk his general conduct has been satisfactory and I beg therefore to recommend that a pension of Rs 11 — 8 — " per mensem may be granted to him from the 1st

No. 472

PROCEEDINGS OF GOVERNMENT.

Dated 14th November 1864.

was sent to the Head Gumasta of the Oossoor Court, to be served on him personally at Bangalore, by a peon of that Court, who in answer reported that the peon had informed him that he had left the order with Mrs. Shunker as Mr. Shunker was stated to have gone to Mysore. This I reported to the High Court on the 8th August 1876. On the 19th idem I again reported to the High Court that Mr. Shunker had not returned to his duties, nor was I aware of when he intended doing so, or the cause of his absence, or where he was to be found, and that the Oossoor Court had been closed owing to his absence since the 20th July last. Subsequently, in my letter dated 21st September 1876 No 47, I again reported

Mr.

Mr. Shunker's continued absence from his station, and that I had heard demi officially from the Commissioner of Police at Madras, Major Cloete, that Mr. Shunker was wandering about Madras out of his mind, and I recommended that as the Oossoor Court had now been entirely closed for 2 months, that some immediate steps should be taken to reopen it, and that Mr. Shunker should be dismissed from the service as incompetent and absent without leave. In reply the High Court directed me in their letter dated 26th September, to nominate a substitute at once, to carry on the duties of the Oossoor Moonsiff's Court, and to act up to their Proceedings dated 21st November 1866, after a formal enquiry, with regard to any

recommendation

recommendation as to the dismissal of Mr. Shunker. I accordingly issued an order to Mr. Shunker dated 15th October 1870, which I caused to be served upon him through the Commissioner of Police at Madras, as I was utterly ignorant of his address or the place of his residence, calling upon him to appear before me, within 3 days from the date of service of the same upon him, to answer for his past misconduct. In reply, Major Bower in his letter No 743 dated 18th October, enclosed Mr. Shunker's receipt for the same, and informed me that he had personally served it on Mr. Shunker, who not only declined to obey the order itself, but stated as his reason apparently, that he considered himself

himself under the orders of the High Court, and purposed seeing Sir C. Scotland about obtaining furlough. Major Bower also added that he believed Mr. Shunker to be in an unsound state of mind, and incapable of judging for himself. I thereupon informed the High Court of this in my letter No 52 dated 22nd October 1870, and requested further instructions with regard to Mr. Shunker, and suggested that as he was residing in Madras the Judges might satisfy themselves as to his sanity by a personal inspection of him. In reply, the High Court directed me in their letter No 2118 dated 22nd November 1870 to report if Mr. Shunker did not appear before me within

within one week. Mr. Shunker thereupon appeared before me on the 23rd Idem, and put in his application for pension on Medical certificate, which was duly forwarded to the Zillah Surgeon R. C. Pearse Esqre., who certified him, under date the 3rd December 1870, to be "unfit for "further service from premature decay and infirmity the "result of Asthma and Rheumatism, together with a general failing of his mental "powers the latter due in my "opinion to excessive indulgence "in spirituous liquors which "he states he took under medical advice". This certificate was not confirmed subsequently by the Medical Board at Trichinopoly before whom Mr. Shunker appeared

appeared, for the reasons stated in their Proceedings No 3449 dated 7th December 1870, wherein the Board state their opinion that "his "faculties are unimpaired, "and his appearance indicates "good physical health. But "that the Board further finds "that he is a man of intemperate habits, how induced "it is not for it to decide, he "having been in a state of "partial intoxication when "he appeared before it." The "Medical Board is therefore "of opinion that he is in "respect of mental and "physical capacity fit for "further service."

On the 11th December 1870 I submitted these Proceedings

Proceedings to the High Court and suggested that Mr. Shunker should be directed to appear before a 2nd Medical Board, when he was sober. In reply, I received the Proceedings of the High Court No 81 dated 16th January 1871 dismissing Mr. Shunker from his post of District Moonsiff of Oossoor, a copy of which he has filed with his application to Government under report.

I believe Mr. Shunker to have become an inveterate drunkard and to have rendered himself utterly unfit for his duties, both physically and mentally thereby. In fact I most fully endorse the Certificate granted to him by the Zillah Surgeon Mr. R. C. Pearse as containing the exact truth and facts of his case.
