ORDER THEREON, 8th February 1864, No. 47.

The service of the applicant, as stated by the Civil Paymaster in the foregoing report amounts to 29 years, 2 months and 6 days previous to 31st December 1861, and entitles him under the rules then in force to a pension of one-third his salary.

2. It appears, however, from an Order of Government, Revenue Department, dated 7th October 1863, No. 1839, which is quoted in the Register of application but to which no reference is made by the Civil Paymaster, that it has been decided by Government that Pokala Krishniah was improperly deprived of his situation in January 1862; and it being for reasons stated not deemed advisable to order his re-employment; that it was directed he should be allowed to count as service the whole time that had elapsed since that dismissal, and should apply for a pension. The time thus included in Pokala Krishniah's service counting for pension is 1 year, 9 months and 7 days and makes his total period of service on 7th October last 30 years, 11 months and 13 days, for which he is eligible under the rules in force on that date to a pension, without medical certificate, of half his salary.

3. The Governor in Council is of opinion, under all the circumstances, that the case is one in which the full pension authorized by the rules should be allowed, and is pleased accordingly to award to Pokala Krishniah, under Section 6 of the Revised Rules, a good service pension of Rupees 17-8-0 or half his salary, with effect from the 7th October last.

Proceedings of the Madras Government, Revenue Department,

No. 90. Read the following Proceedings of the Board of Revenue, dated 16th September 1863, No. 5,846 :—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Krishnapatnam, 22nd May 1863, No. 153.

SIR,

1. I have the honor to acknowledge the receipt of a Petition* from Pokala Krishnaya, No. 21 of 1863, endorsed by the Board for explanation as to why no sick leave had been granted to the Petitioner after he had produced a medical certificate, and further directing that each statement made by the Petitioner should be duly noticed.

2. The Petitioner states that having been dismissed by me from the post of Head of Police, and re-employed under the orders of the Board as a Vernacular Clerk in the Serishtadar's Department in January 1862 when I proceeded on Jummabundy, he fell sick at Podalakuru, and was forcibly compelled by me to apply for pension; that he did so apply for pension; that the Doctor did not give him the requisite certificate; and when he recovered his health, I was absent on leave, and the Sub-Collector in charge of the District endorsed his application for re-employment; that his post had been filled up, and there was nothing for him; that since my return he had repeatedly applied to me to the same effect, but to no purpose; that his post had been permanently filled up during the time he was on sick leave, and he, therefore, applies to the Board for redress.

3. In using the term forcibly, the Petitioner probably does not mean to give to it the English application of the word, but merely to inform the Board that when I refused to give him leave on other terms, he had no alternative left him, but to apply for pension, and if I am correct in this supposition, then in that case, I have the honor to state that the facts of the case are precisely as set forth by the Petitioner, with one exception.

4. When I re-employed the Petitioner in accordance with the Board's orders and placed him in the Vernacular Department, as the place where he would be least likely to be able to do harm, I was told that he would never be able to do work, and, when at the very commencement of the Jummabundy, on the eve of a sixty-mile-march to Udayagiri, he applied for sick leave. I did not consider it fair to the office to grant the least deserving man in it an escape from what all would gladly avoid if they could; and this was the reason I refused to grant him sick leave. He might be sick, or he might not. The infirm man he was represented to be, could easily make himself sick if he was not, and I sent word to him through my Serishtadar that if he did not intend to do the work, he should apply for pension. He accordingly did apply for pension, and,

in accordance with the practice referred to in my letter† to the Board of the 3rd October 1862, No. 247 (paragraph 4) on his application for pension, I filled up his appointment, a course which the subsequent orders‡ have shown to be incorrect.

5. How far Pokala Krishnaya was really sick or in feeble health than he usually was when he applied for leave, it is difficult to say. In the certificate dated 12th January 1862, the Zillah Surgeon reports him to be in a bad state of health. In a Memorandum dated 30th idem, his ailments are alluded to as "indispositions," and at the close of the Jummabundy when I was proceeding on leave, he is certified to be recovered, and equal to the performance of his duty. I enclose copies of these certificates and of a letter dated 10th March 1862, in which the Doctor informed me that Pokala Krishnaya was under medical treatment, and that he would recommend a period of six weeks' leave being granted him as necessary for his recovery, to enable him to proceed to the sea coast. His family are engaged in salt at Krishnapatnam; but, as I before stated, thinking it unfair to the office to allow this man to shirk work, just as he had been re-instated, I adhered to my original order; and the exception to the general correctness of the Petitioner's statement consists in his assertion that his appointment had been filled up permanently

during his absence on sick leave. Sick leave never had been granted to him. Having refused him sick leave in the first instance, when he supported his application by a medical certificate, his application for pension had been filed; and his application for pension having been filed, I did not then consider he was longer entitled to apply for sick leave; whilst his failure to produce the requisite certificate precluded my forwarding his application for pension.

ENCLOSURE No. 1.

ABSTRACT.—Correspondence between the Zillah Surgeon and Collector about Pokala Krishnaya, late Vernacular Clerk in the Collector's Cutcherry.

ENCLOSURE No. 2.—Petition.

1. Resolved that the above letter, together with the Petitions which form its enclosures, be submitted for the consideration and orders of His Excellency the Governor in Council.

2. The Petitioner, Pokala Krishnaya, held the office of Head of Police at Pamum in the Nellore District in 1860, and was dismissed from his appointment by Mr. Dykes, who considered that he had released the prisoners in a Police case from corrupt motives. On Pokala

Krishnaya appealing against this order, the Board held* that no delinquency had been proved against him sufficient to warrant his dismissal, and directed that he should be restored to office, and suspended for six months from pay and allowances, as a punishment for the want of care he had shown in the discharge of his Police duties.

3. On the receipt of the Board's orders the Collector reported that the office lately held by Pokala Krishnaya had been discontinued under the new Talook arrangements. Mr. Dykes was

From Collector of Nellore, 18th July 1861, No. 172.

Board's Proceedings, 13th August 1861, No. 4,382.

Mr. Dykes eventually nominated him to a situation, in the Serishtadar's Department of the Collector's Office, of equal emolument with his former post.

4. The duties of this office were, it appears, performed by Pokala Krishnaya for a few months up to January 1862, when Mr. Dykes virtually dismissed him from office a second time for no reason, except that he considered Pokala Krishnaya unfit, on account of his health, for the active duties of the situation to which he had been appointed.

5. The circumstances were briefly as follow:—Pokala Krishnaya when on Jumabundy with the Collector's Office in January 1862, fell ill, and applied for sick leave; this the Collector refused to grant, and directed him to apply for a pension. Pokala Krishnaya, accordingly, sent in an application, under pressure; but on his reaching Nellore, being anxious to defer his retirement for seven months by which time he would have completed thirty years' service, he submitted a petition again applying for sick leave, and enclosing a medical certificate to the effect that he was unfit for immediate duty. In reply he was directed to forward a medical certificate of incapacity for further service in order that a pension might be obtained for him. This certificate the Medical Officer refused to grant, until P. Krishnaya had been under treatment, and eventually on the 6th May 1862, he certified that Pokala Krishnaya was sufficiently recovered to perform the duties of Office. On application being made to Mr. Elliott, then in charge of the District, Pokala Krishnaya was informed that his appointment had been permanently filled up, as he had applied for pension, and on Mr. Dykes' return from Europe no notice was taken of his numerous appeals. At last weary of failure he addressed the Board in December 1862, and his Petition was referred to Mr. Dykes for report.

*Proceedings of the Madras Government, Revenue Department,
7th October 1863.*

6. The letter recorded at the head of these Proceedings, is Mr. Dykes' report on the case. In this letter (which was unfortunately lost sight of for three months in the Board's Office). Mr. Dykes justifies his having filled up the Petitioner's appointment by stating that this was done in accordance with the usual practice obtaining in the Nellore District when application was made for pension; a practice which has since been condemned and prohibited by Government.

Procs. of Government, 11th December 1862, No. 392.

7. Looking at the evident bias exhibited by Mr. Dykes against the Petitioner, the Board think that they would be conferring no boon on Pokala Krishnaya, if they directed that he should be again restored to office, though he has a just claim to be re-instated. They, therefore, resolve to recommend that Petitioner be granted such pension as his services may entitle him to, supposing him to have continued in the service from the time when he was excluded from office on the inadequate grounds referred to above, as the Board are of opinion that Mr. Dykes ought, on receipt of the Zillah Surgeon's letter dated 10th March 1862, to have granted the Petitioner sick leave, and that in the face of that letter it was unjust to the Petitioner to fill up his place as if he had been actually pensioned. Should the Pension Rules not admit of this course being followed, or should Pokala Krishnaya's services not entitle him to pension, the Board consider that he ought at once to be restored to his appointment.

No. 91. ORDER THEREON, 7th October 1863, No. 1,839.

1. The Government are of opinion that Mr. Dykes's proceedings in regard to Pokala Krishnaya were harsh and irregular. He should have given the sick leave solicited when a Medical Certificate supported the application. The man's physical ability for further service could have been ascertained after the sick leave had been given.

2. His Excellency in Council concurs in the opinion expressed by the Board that the time which has elapsed since Pokala Krishnaya was improperly excluded from office should count as service. It is observed that at the beginning of 1862 he only wanted seven months to complete a service of thirty years. The Board will direct the Collector to forward an application for pension in the usual course. If it is found, when the application comes to be considered in the Pension Department, that Pokala Krishnaya's services do not entitle him to a pension, he must be immediately restored to his appointment.

His Excellency the Governor

The humble address of Pokala
Kristniah of Mellore, and a late
Clerk of the Collectorate.

My Lord,

I most humbly beg to lay before the
Government my poor case trusting that I may
be pardoned for the intrusion.

1 I was unjustly dismissed from the post
of Head of Police at Tamar Division in Mellore
District in the year 1860 by the present Magistrate
Mr. Dykes.

2 On my appeal, the Honorable Members of
the Board of Revenue pleased to direct the Magte
to restore my situation; but after a long con-
siderance the Magistrate granted me a post.

3 Three months after my entrance into the
Service, I fell sick, and applied for sick leave;
but however the Magte obtained from me Pension
Application on the 8th January 1861.

4 Since the above mentioned date, I suffered
much for want of Service or Pension, and
again appealed to the Board, on the 30th Decr
1862, who favourably moved the Government

for a kind consideration of my poor case.

Your Government kindly pleased to direct the Magistrate Mr. Dykes to recommend for pension, since the date of my last removal.

5 I am now in great doubt & afraid myself what will be the recommendation of the Magt about my pension as I had twice appealed against his orders. Therefore, I humbly represent my poor case for your candid consideration

6 I entered in the Public service on the 15th Decr 1850. and served without any break till the end of February 1860 (29th Feb 1860) with exception of two days; viz, 23 & 24th Sept 1850, the last two days' break occurred owing to the abolition of the post of Asst Customs Sup^t of Kottapatnam as per Gov^t orders.

7 From the month of March 1860 till the 8th October 1861 (1st Oct 1861) I was without employ owing to my being dismissed. But this dismissal is subsequently withheld by the Board of Revenue, within the period of one year from the date of my dismissal. But I was not immediately restored to my situation as the collector then reported that my former post was abolished during the revision of Revenue Department. I was replaced in service on the 8th October 1860, when first vacancy occurred.

8 I again entered in service on the 8th October 1861 & served till the end of that year (2nd Dec 1861) when I was finally thrown out of service by Mr. Dykes.

9 As I have above shown the total period of my service & amounts to 30 years, 11 months & 13 days. The two breaks in the interval did not arise owing to any misconduct on my part; and consequently my service can be considered as continuous as per present Pension Rules, & at any rate I may be bestowed with full pension that is half of my salary.

10 In conclusion I greatly trust Your Lordship will protect me.

11 As I am too sick since the last 6 months I was prevented from attending personally before Your Lordship & presenting my humble petition. For this act of charity & kindness I am in duty bound

This latter therefore is the only break which would affect applicant's claim for Pension, but as the dismissal was overruled by the Board of Revenue in their Proceedings dated 27th March 1861, No. 1622 as unwarranted, it could hardly be taken as a bar to his claim for Pension.</i> <i>3.
