His present Condition seems simply the result of age and long Service and not at all attributable to vice or imprudence.

Sir,

I have the honor to forward herewith, for the orders of Government, a list of Servants who, with the exception of the individual named in the margin, were thrown out of employ by the introduction of Mr. Pelly's new Scale of Establishments in this District, and to recommend that the amount of gratuity proposed for each may be sanctioned.

Mahomed Khan. Duffadar, Salt Department.

2. A Medical Certificate is forwarded, as regards Mahomed Khan, which shows that he is incapacitated for future duty from old age.

3. With the exception of 5 Peons in the Revenue Department, all the rest are Servants of the Sea Customs and Salt Depts. As 3 of these five peons held temporary employments at the time the list of Servants of the Revenue Department was forwarded to Government,[x] their names were not entered in that list; and the

[x] dated 13th April 1863.

the remaining 2 being young and fit for service, it was intended to provide them with situations when opportunities offered, and their names were also therefore omitted. But as all of them are now without employ, I have included their names in the list now sent.

4. The sum of Rupees 2,000 was entered in the Budget Estimate submitted from this Office for the Current year, to meet charges of this nature, but I am not aware how much of it has been sanctioned, as no information has been furnished to me from the Presidency on the subject.

I have the honor to be,
Sir,

CIVIL PAYMASTERS OFFICE OC 26 1864

From
G. Lee: Morris Esqr.
Collector of South Canara

To
The Civil Pay Master
Fort Saint George.

Sir,

With reference to your Memo: of the 15th Instant, No. 154, I have the honor to state that the servants of the Sea Custom Department entered in the list therein alluded to, were thrown out of employ on the 1st August 1862 and those of the Salt Establishment on the 1st May 1863.

2. Of the 5 Peons of the Revenue Department, 3 (of the Mangalore Taluk) were thrown out of employ on the 1st October 1860, and the remaining 2 on the 1st November of the same year. The reason why the names of these 5 Peons were not entered in the list of ~~w~~ Revenue Peons recommended for gratuity on the 13th April 1863 is stated in the letter which accompanied the list alluded to in your Memo.

3. As regards the delay in submitting the application for gratuity,

Some

Some time was lost in the Taluks in preparing the lists with the necessary particulars, and they were not received in this Office before July 1863. The lists had then to be scrutinized, and it had to be ascertained whether any of the Peons had since been or reemployed in any of the Departments, before the general list could be prepared.

4 In the mean time the Orders of Government regarding the grant of a compassionate allowance were received. The list of the Servants to be recommended for gratuity was therefore detained, and further information called for from the Taluk in order to the Servants entitled to Pension being excluded therefrom - and on the receipt of the same, the list was revised and forwarded -

I have the honor to be,
Sir
Your most obedt. Servt.
