Office of Comptroller of Public Accounts
Fort St. George, 16th November 1864.

From
The Acting Comptroller of Public Accounts,
Fort St. George

To. The Under Secretary to Government,
Pension Department

Sir,

With reference to the remarks in
Para 2. of the Proceedings of Government,
Pension Department, dated 11th November
1864, No. 469, I have the honor to request
you will submit to Government that
unavoidable delay frequently occurs in
the verification of Pension Claims, gene-
-rally from the fact that the records of
this Department do not correspond with
the information furnished by Departmental
Officers -

2. These discrepancies lead to con-
-stant references to other Offices, which
are in many instances tardily respond-
-ed to.

3. In the instance animadverted
upon by Government, it will be observed

Sy

by the Marginal note that several re-
-ferences were necessary, and that con-
-siderable periods elapsed before the re-
-ceipt of the replies.

4. I would also add that the records of a quarter of a Century have frequently to be carefully inspected before the service and rate of pension can be positively determined.

5. I regret that full explanation of the cause of delay was not furnished when the report was made to Government.

I have the Honor to be,

Div.

Your Obedient Servant:

Henry Major
Controller Military Accounts.
