To

Humbly Sheweth.

The humble petition of
Vaishnavula Rámakrish
namma, late Samudddár
of Naiyanipalli, Bapatla
Taluq, Krishna Dt.

On the occasion of the revision of Establishment under Mr. Pelly's arrangements my name was at first enlisted as Revenue Inspector, but I am sorry to say that that post was afterwards given to another. I then presented myself before the Collector and prayed him to favor me with a place. He, thereupon, ordered me that there are no places for the present and that I will be recommended for pension on the production of a Medical Certificate while I am exempted under the Rules now in force from the necessity of producing the same, being a public servant on a permanent Establishment discharged on reduction of Establishment. I accordingly went to the Zillah

Surgeon & applied to him for a certificate, which he gave stating that I am still able to serve.

I submissively beg to inform to your Board that I am a servant of 29 years' standing and have a large family depending upon me for support. I have no resources whatever to live upon except the generosity of Government. I moreover beg to say that many of the servants who were similarly thrown out during the revision of the establishment in question, have been already restored –

I therefore most humbly & respectfully solicit that your Board will pity the helpless condition of a poor servant of a very long standing as I am and do justice to him by ordering the Collector either to restore me to my situation or recommend me for ½ pension, to which I am eligible by my long & faithful services –

For which act of justice, I, as in duty bound, Shall ever Pray.

Your most obedient & humble

Late Sannudtair of
Náyanipalli, Bápatla Táluq –

P. S.

I further beg to bring to the merciful consideration of the Board that, on my petitioning the Collector on the 6th May last either that I may be favored with a place or pension, he was pleased to endorse on it that I may be recommended for gratuity. This being quite inadequate to live upon with my poor family, I thus take the liberty of presenting my case to your Board's consideration, with firm belief that I may be favored either with a place or pension which latter, I most humbly crave your Board to order.

I beg to remain

PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th November 1864.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 20th October 1864, No. 237 :—

1. With reference to the Board's Endorsement on Petition No. 2,631 of 1864, herewith returned, I have the honor to report that the Petitioner V. Ramakistnamah, and another Totah Chinna Kistnamah were the Samutdars of the late Bapatla Division. They were thrown* out of employment during the revision of Taluk establishments according to the new scale. They both served in grades eligible for pension, as detailed in the accompanying statement.

2. These individuals were discharged previous to the promulgation of the new Pension and Gratuity rules, which say "that no medical certificate is necessary in the case of the servants "thrown out of employ by the abolition of their offices."

3. As in the case of some servants similarly situated, and on whose behalf applications for pension were submitted to the Civil Paymaster without any medical certificate as laid down in the old rules, the Government subsequently urged the necessity of obtaining medical certificates for them, and granted pensions to those who were certified by the Medical officers as unfit for further service by old age, protracted ill health, &c. I referred the present two individuals to the Civil Surgeon at this station when they applied to me for pension, but that officer found them fit for actual service, and not incapacitated by old age, &c. I then postponed sending their applications to the Civil Paymaster in the usual form.

4. The service of these individuals was continuous throughout, except one break in the case of Totah Chinna Kistnamah, which occurred in consequence of the Zemindary estates having been released from attachment. The period passed in the six Zemindaries may be reckoned as service towards pension.—*Vide* paragraph 410† of the Uncovenanted Servants' Vade Mecum. The past character and conduct of these servants has been unimpeachable.

5. There are no vacancies at present to give them, and as the age of each of them is above fifty years, which, I think, may fairly be considered to incapacitate them for further employment, I beg to request that the Board will be pleased to recommend Government to grant them one-third pensions without medical certificates, in consideration of the faithful services rendered by them to the State for a period of above twenty-seven and twenty-eight years respectively.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the particulars of the service of servants thrown out of employ by the revision of Taluk Establishments, who are eligible for pension.

The above letter will be submitted to Government with the Board's recommendation that the Collector's request that the pensions be granted to the applicants without the production of a medical certificate, be complied with, as a special case. The Board were under the impression that a medical certificate was not required in any case in which employment had been lost in consequence of reduction in the establishment.
