As applicant has been discharged in consequence of a reduction in his Department, and as the period is so trifling to complete his term, a Pension of one third of the authorized allowance per mensem (for the five years preceding the date of application) is strongly recommended to be granted to him, and a favorable consideration of the case is requested, as applicant has always borne a good character -	15 1st April 1863. Remarks.

The undersigned has the honor to report that C. Chunderagreen
Woodly, Draughtsman in the late Central Office, Department of Public Works
can reckon service for pension only from 27th February 1852 to 31st March
1853, and which can be verified from the records of the Offices of Controller of
Military Finance, the Civil Paymaster, and Controller and Auditor of
Public Works Accounts. His service from April 1832 to February 1852 does
not appear to be of such a nature as qualifies for either gratuity or
pension - He is eligible to gratuity equal to four months salary or
Rs 180 for his service of years 11-1-2 -

Order of Government, 18th February 1864 N^o 54

~~The former Civil Pension Dept.~~ It appears from the
report of the Controller of Military Finance that the appointments
held by this applicant prior to February 1852 were those of "Practitioner
Draftsman", & not as stated in the Register furnished by the
Department Public Works "Draftsman".

The service as "practitioner" does not qualify for gratuity or
pension under the Civil Pension Rules, & Chunderagreen
Woodly can therefore be allowed only the gratuity
of 4 months salary or Rs 180. to which his service of years 11-1-2
since Feb 1852 entitle him under the rules in force
at the date of his discharge -
