I certify that I have carefully examined with
reference to clauses 8 and 10 of the revised rules for Pension,
S. Girrow, ^{He (16)} is old, infirm, his sight defective, and he suffers
from shortness of breath, and I am of opinion that no
improvement is likely to result from relaxation from duty
or treatment and that he is Physically and Mentally
permanently disqualified for further active service.

To W. H. Kerr Esqre
Dy. Secretary to Government
Pension Department
Madras.

Sir,

With reference to your official
Memo dated 10th November last No 83,
I have the honor to forward herewith
a Medical Certificate granted by the
Civil Surgeon at Guntoor to S. Gurnow-

2. The other applicant S. Sadasi-
varan has been pronounced by the
Surgeon to be still qualified for further
service. He was thrown out of em-
ployment in the revision of Taluqs
and it was, therefore considered
that a Medical Certificate was not
necessary in his case, either under the
old or new pension rules.

I know the man. His old
age

age and obesity render him quite
unfit for any active appointment.
He belongs to a very respectable
family, and has most faithfully
served Government for a period of
21 years. I therefore beg leave
to recommend his case as a special
one for the favorable Consideration
of Government.

I have the honor to be

Report of the Civil Paymaster.

Service of Applicant as verified by Civil Paymaster.	Average of salary for the last 5 years.	Remarks.
27-10-1841 27-7-1842	11-11-1841 14-11-1842	The service of Gurrus, late Sheristadar of Sattinapully Division Kistna District, can be verified from the Records of the Civil Paymaster's Office from 1st February 1847 to 31st August 1862. His service from 1st December 1833 to 20th August 1834 was of a temporary nature, and from 14th to 21st December 1836 in grades ineligible for pension. His service from 27th August 1834 to 11th August 1836 and from 22nd December 1836 to 1st April 1842, and again from 13th April 1842 to 31st January 1847 was on estates. That from 2nd to 12th April 1842 cannot be verified for the interval between 11th August & 14th December 1836 he was unemployed consequent on the release of the estate from attachment. He will be eligible to a pension equal to one third of his salary under the old rules on submission of a Medical Certificate. The rule which allows a pension without a Medical Certificate to a person thrown out of employ after a service of 20 years does not apply in his case, as he ceased to be employed in August 1862, while the rule in question is dated November 1862.
