Memorandum

Your letter No. 1137 dated 10th September, 1863.

S. Sada Siva Rao was first thrown out of employ in December 1857 when Madras, Malabar & Guntur Districts were amalgamated. He was then recommended for gratuity. But the post of Sheristadar of the late Guntur Taluk having become vacant temporarily, he was appointed to it & "acting" on 11th October 1860, i.e. 10 months after he lost his situation. The sanction for the gratuity was received afterwards, & the amount was paid to him in December 1860. He lost his acting appointment also in the provision of the Taluk Establishment on 1st April 1862, & as his former service was eligible for pension, under the new Rules, he applied for the same.

the

20. 164)

The delay in submitting his application was
owing to the necessity for references to
the old records at Guntur to test the correct-
ness of his service.

S. Gurrus's service from 22^d

December 1836 to 31st January 1847 except
for the period noted in the margin
was performed on account of
certain Remains Estate then
under attachment. Hence it
cannot be verified by the Return
submitted to your office. When
the Estates were purchased by
Government, Gurrus was continued
in their service. His service was
therefore of a permanent nature.

Notice: That the above is only for
from 22^d 12th April 1842 to only for
11 days. Hence probably his service
was not included in the Return.

Sadasavarow late Sheristadar in the Guntoor Taluk of the Krishna District can be verified from the Records of the Civil Paymaster's Office from 1st January 1840 to 15th December 1859, and from 1st October 1860 to 31st March 1862. Sadasavarow received a gratuity for his services from January 1840 to December 1859 (Register of Application for Pension Column 22) which must be recovered from him before he can draw his pension. His service from 1st October 1860 to 31st March 1862 is reckoned, as he was acting in full vacancies and receiving the full pay of the appointments which he held during that time. He will be eligible to a pension equal to one third of his average salary on submission of a Medical Certificate, as he ceased to be employed before November 1862 when the rule which sanctions the grant of pension without a Medical Certificate to servants thrown out of employ after a service of 20 years was published in the Gazette.

Order of Government. 29th February 1864 N. 87

Sadasavarow's service since December 1859 when he received a gratuity for his previous service on discharge by abolition of office, having been only in acting appointments & therefore of a temporary nature, the Govt in Council concurs in the opinion expressed by the Civil Paymaster that it cannot be reckoned as service qualifying for pension or gratuity.

The Govt in Council is unable to sanction the grant to the Sadasavarow of any allowance or gratuity in excess of that already drawn by him.
