19 April 1864

From

Major J. Stoddard

Executive Engineer's Office District

To Lieutenant Colonel O. W. S. Chambers R.E.
Superintending Engineer

Sir

Division

In reforwarding the accompanying Register for the pension of late Mr. S. Sully H. Writer in late District Engineer's Office Godavery, I have the honor to inform you that his age was not certified by the head of the Dept when he was first entertained in the Public Service. From an original Extract from the Foundation Register of the Military Male Orphan Asylum Madras found amongst the late Mr. S. Sully's papers and which bears every mark of being genuine, it would appear that the age of Mr. Sully (now deceased) as given in the Pension Register forwarded by me in September last was near the truth. In the latter it is stated to be ⁴⁷ 46-10-23 and by the Foundation Register ⁴⁷ 46-4-16-

As the late Mr. Cully has left
a large Family in poor Circumstances
I trust the Government will see fit
to grant a "gratuity" instead of pension,
as Mr. Cully died on the 18 December 1863
or 5 Months after his discharge from office.

I have the honor to be

Your most obedient servant
