Reporting the Service of
Kumbanur Komen Nair
Tahsildar of Ernad Taluq
the Collectorate of Malabar.

Order of Government. 20^th April 1864 No. 190.

His Excellency the Governor in Council resolves, in consideration of the services rendered to the State by N. Komen Nair, Tahsildar of the Ernad Taluq in the Malabar District, during the time of the Moplah outbreaks, and the very favorable testimony borne to his merits by the several Magistrates of Malabar to recommend his case to the favorable consideration of the Gov^t of India, and to solicit their sanction to the grant to Komen Nair of a pension equal to 3/4^ths his average salary or Rs 103-8 per mensem from the 1^st May next by which date the Collector of Malabar will be reported to arrange for his removal from the Office establishment.

~~Ordered that the following letter be despatched.~~

It appears by the Civil Paym^r's report No 93 of the 19^th inst that Komen Nair held his appointment of Tahsildar of Ernad Taluk up to the 31^st March, his service up to that date will be taken into account in reckoning his average salary for the last 36 years

Ordered that the following letter be despatched.

With an order No 190

No 191 Pension Department

To

The Secretary to Government of India

Financial Department

Sir,

I have the honor by direction of His Excellency the Governor in Council to solicit the Sanction of the Government of India to the grant, as a Special case, of a pension of Rs 63-8- or 3/4ths his average Salary for the last five years, to Kannen Nair, Tahsildar of the Ernad Taluk in the Malabar District, in recognition of the great services rendered by him to the State during the time of the Moplah outbreaks

2. The dangerous nature of these outbreaks and the extreme importance which attached to prompt and decisive measures in dealing with the fanatics who were the actors in them will no doubt be still in the recollection of the Government of India, and as evidenced by the Special enactments

of

Act XXIII of 1854.

of the Legislature which it was found necessary to pass for their suppression. The Governor in Council, therefore, though fully aware that the good Service pension of half his Salary to which Kanen Nair is entitled under the General Rules, is in itself the reward of "approved" Service, and though in general averse to the grant of any pension in excess of that allowed by these already liberal Rules, feels that, if any case is worthy of consideration, it is that of a man who throughout the time of these outbreaks stood forth as one of the foremost and most successful defenders of the cause of order.

3. That Kanen Nair did this, not only by his uniform zeal and activity in the discharge of his duties as Tahsildar and Head of Police of the most turbulent Taluk of the District during the whole time the outbreaks lasted, but also by fearlessly exposing himself

2 himself and leading the attack in person when the fanatics were brought to bay, is shown by the papers recorded in the Proceedings of this Government of which copies accompany this letter. Kanen Nair three times prevented outbreaks, which if not nipped in the bud would have had most serious consequences, and has already (in 1858) received from Government a Sword as a recognition of his courage and ability.

4 He was indeed recommended by the Magistrate for a Special pension of full pay 6 years ago and appears from the Records to have remained on in the Service at the Magistrate's request. He retires now at the advanced age of 61 years with the further testimony of the present Magistrate that he has fully merited the high character for ability and trustworthiness given him by previous Magistrates.

The

5. The Governor in Council thinks therefore that this is a case which has peculiar claims to be considered on special grounds, and trusts that his recommendation that Pomeu Nair may be granted a pension of 3/4 of his average Salary will receive the most favourable consideration of the Government of India.

6. It is requested that the pension may be made payable from the 1st March 1864.

Memo.

Orders are requested in the case of Ramen Nair Tahsildar of Ernad Taluk Malabar -

This man rendered good service during the disturbances among the Moplahs & is highly spoken of in the G.O.'s of the time -

He was presented with a sword in 1858 (G.O of Aug. 9th) & that his claim to full pension ie pension of full pay would be considered on his retirement - H.B. Ballard accordingly

recommends that a pension
then drawn by him or W-107
should be granted -

The civil pension reports him
to be eligible to the Govt service
pension of W-68 - the half of
his average salary for the
last five years -

Mr Byerly remarked at the
time of the former order that
pension of full pay is seldom

allowed - If an additional pension
is given, I would suggest that
the simpler way & the more likely
to be allowed by the Govt of India
would be to name W-105 as
the pension - calling it, as it is,
half of his Govt salary -
recommending in fact, ½ his
Govt salary, instead of ½ the
average salary for 5 years -
He is nearly 62 years old.
