HOME DEPARTMENT.

SIR,

I am directed to transmit the annexed copy of a letter, 23rd ultimo, No. 146, from the Inspector General of Police, and to recommend that a pension of three Rupees a month may be granted to the widow of Vencataswami, Constable in the Tanjore Police, under the terms of paragraph 4 of Lord Stanley's Despatch of the 21st April 1859, No. 33, to the Government of India.

2. Mr. Robinson states that the Constable embarked on the 19th October last from the Vedaraneyom Salt Works in charge of Government Salt to be landed at Negapatam, and that the boat laden with the Salt has never been heard of since. The present application is submitted on behalf of the Constable's widow, and his three children, two daughters and a son, aged six, four, and two years respectively.

3. I am to add that the pension proposed is less than two-thirds of the amount of salary of a Constable of Police.

FORT SAINT GEORGE,

Sir,

Your most obedient Servant,

Audit Department.

I have the honor to request that you will obtain the sanction of Government for granting a small pension of three Rupees per mensem to the widow of Vencataswamy, Constable in the Tanjore Police, who lost his life in the service of Government under the following circumstances.

2. The deceased was attached to the Vedaraneyom Salt Works, and was directed to go to sea on duty with a boat-load of Government Salt proceeding to Negapatam. He embarked on the 19th October last. On the 20th and 21st a hurricane visited the Coast, and the boat has not since been heard of. It has doubtless been lost with many others and all on board have perished.

3. The deceased has left besides a widow two daughters, aged respectively six years and four years, and one son aged two years.
