With reference to C. M. C.
dated 13th October 1852 N: 964.
and 6th November 1852 N: 220.

Extract from a letter from the Honorable the
Comd^g of Directors dated 9th August 1854 N: 37.

With reference to the opin-
ion expressed by the H. C. in
para 21 of this despatch the
Government leave it to the
Accountant General to employ
any of the relatives of J. C. and
P. who were dismissed from
their situations in the Account-
ant General's Office under para 1
of the order of the 6th November
N: 52 taking care that they
are placed in position of no
influence and that their
future conduct is subjected
to close supervision.

21 We are less satisfied of the
propriety of the measure resolved on in para 23
that any relatives of J. C. and P. who may at this
time be employed in Accountant General's Office
be immediately dismissed from their situations
and not allowed to be again employed in that
Department. It appears to us that some
measure of less severity would have answered
all the purpose in view, and that when nothing
was proved or even charged, but distrust
excited only on the ground of relationship
to the principal offenders, it would have been
sufficient to have placed them in position
of no influence and subjected their future
conduct to close supervision.

Chronic Diarrhoea 15 28 40. His service not being continuous does not under para 397 of the Trade Bureau prevent the previous portion being counted for pension as he was not dismissed from the Accountant General's Office for any misconduct and was reinstated under orders from the late Honorable Court of Directors in India. The reduction of his salary from May 1863 had not arisen from any fault of his but on account of the re-organization of the Office whereby all the Sub. Auditors were reduced to Rs 30 each.
