That he has excluded from the above statement the period of his former servitude as private Gomastah of the late Nawaiss and Sadr Amins, such not being allowed to count as service towards pension.

That his age when he was entertained in the public service was about 32 years and that his present age is about 64.

That he has hitherto maintained himself and family with the pay allowed by Government, and has not been able to lay by anything for his future support.

That his failing health precludes him from discharging his duties in an efficient manner any longer and that he has none to look to for protection but the Government at such a critical juncture.

As your Honor are fully aware of Petitioner's circumstances, he refrains from detailing the same and humbly prays that you will be pleased in consideration of his faithful services, to recommend his case for the favorable consideration of Government so that he may obtain a pension for his future support. Your Petitioner further prays that his pension may be made payable thro' the Collector of Malabar, and he shall, as in duty bound

Ever pray.
