Pension Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following papers:-

From the Commissary General (Here enter 17th Sept. 1864 No. 5120)

Report of the Controller of Military Accounts (" 7th March 1865 B)

Order thereon 27th March 1865 No. 121.

It appears from the forgoing report that Patcheappah Moodelliar late Head Writer in the Executive Commissarial Departt at Trichinopoly, has been in the public Service for yrs. m. d. 19-7-7 but that only yrs. m. d. 13-2-29 is service of a nature qualifying for pension owing to the remaining portion having been spent in temporary Establishment.

2 His Excellency the Govr

in

in Council is therefore unable to grant him the pension recommended by the Commissary General and can allow him only the full gratuity of 12 Months pay or Rs 1260 — under Clause I Para Six of the Revised Pension Rules.

3 It would appear from the first few lines of the Controller's Report that references have been made to the Civil Paymaster and Commissariat Examiner but the correspondence is not sent up — as it is quite unnecessary that the papers Connected with Pension Cases should remain on record in the office of Audit which reports on them and as the Submission of the whole of the papers to Govt may often obviate

obviate unnecessary references, the Govt desire that the Controller will invariably forward, with a pension application, all the correspondence received by him on the subject in original without retaining Copies.—
