his subsequent appointments till his services were finally dispensed with. Some other orders of the intermediate period are however missing.

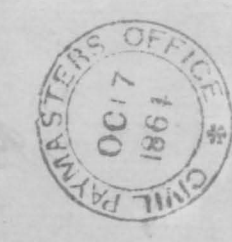

4. From the above mentioned papers, it is clear that the service of this individual in the attached Estates extended from 1st December 1833 to 28th December 1837, & from 21st April 1842 to 14th September 1846 which are the periods which cannot, I believe, be verified from your Records. the subsequent portion of his service was in the Government Taluqs.

5. From 21st April 1842 to 14th December 1862, the date of his being finally relieved, his service was continuous extending over a period of 20.7.26 which would entitle him under the old pension rules to one third of his pay
