From J. H. Lunn, Esq.
Collector of Madras

To R. W. Ludwick, Esq.
Civil Paymaster
Fort St. George.

Sir,

With reference to the Proceedings
of the Government of India
dated 11th December 1863 No 6254,
embodied in the Proceedings
of the Madras Government
under date the 17th February
1864, I have the honor to submit
a Register of applications, in
the form prescribed for Pensions,
for Compassionate allowance
on behalf of 8 persons discharged
since November 1860, after
rendering 30 years service,
in consequence of reductions
in the establishments.

2. A list of their services
as well as 8 Certificates
furnished

furnished to them by the heads
of their respective departments
regarding their ages, are for-
warded herewith. As no
account was kept of the
leaves granted to them, it is
impossible to ascertain the
periods they were absent
during their whole service.

3. I request you will be
pleased to obtain the sanction
of Government for payment
of Compassionate allowance
to them from 11th December 1863
as per the Board's Miscellaneous
Circular no. XXX dated 7th April
last.

I have the honor to be
Sir
Your most obedt Servt.
H. L. L. L.
Collector

P. S. The delay in submitting
the Register arose from a certain
reference made to the Honorable
Mr. Pelly for certain information
Exd. in

in connexion with the Govern-
ment orders on the subject
& from having to refer to old
records in different offices
to ascertain the correctness
of the services of the applicants.
There is no means of ascertaining
the ages of the applicants at
the time of their first entertain-
ment in the Government service.
They themselves are unable
to afford the information which
I think will not be required
as regards these persons.

Madras

Sir,

In reply to Mr Chief Agent Donald's official Memo dated 19th Novr last No 173, I have the honor to report that the Honorable C. Pelly having in his letter dated 19th September last No 1747 ruled that in submitting applications for compassionate Allowances, a separate Register in the case of each individual is unnecessary, I forwarded applications on behalf of 8 individuals in one Register prepared in the prescribed form, containing

in each case all the particulars necessary for the issue of a Pension Certificate; but as it was returned, with instructions to submit a separate Register in each case, I beg to forward herewith 8 Registers of applications in the usual printed form adopted for Pensions, together with an additional one for another individual.

I forward herewith 9 separate lists of services for the above Peons, under an impression that you will require them also individually; & request your instructions as to whether, in similar cases, it is necessary that separate lists should be submitted or whether the services of several Peons can be included in one & the same list consecutively.

3 Referring to the concluding part of the Memo under reply, I would observe that the information to be furnished in Column 20 of the Register had been duly filled in, and not omitted; but in Column 22, I am unable to give any additional information besides what it contained in regard to the conduct of the Peons, there being no means of gathering any further particulars about them. It is impossible to make a particular mention of each Peon with reference to his past character and conduct during the whole period of his service, while the records do not furnish any, & while they served under several officers, few of whom are now living.

4 - My letter to your address dated 12th November last as well as the 8 Certificates shewing the res.

respective ages of the applicants returned with the above Memo are reforwarded herewith. I have also enclosed another Certificate in regard to the age of the Peon to whom a compassionate Allowance is now recommended.

As to his age when first entered, the leaves obtained by him $\frac{1800}{1800}$, the remarks made in the above letter are applicable to his case also.

5 - I have quoted in the Registers the dates the Government orders under which certain of the Peons received gratuity. The services shown in the lists submitted by me when recommending for gratuity, will vary with those given in the service lists now transmitted, which is owing to certain periods of service being then omitted, in

2/

in consequence of a difficulty in ascertaining their correctness, as the services then shown were sufficient to entitle the Peons to a gratuity.

6 - Adverting to Para 3 of my former letter to you, I request you will be pleased to obtain the sanction of Government for the payment of Compassionate Allowance to the Peons from 11th December 1863, excepting for the 2 Peons contained in the Register marked V & VI to whom it should begin from 11th January 1864 being the date of their discontinuance from service.
