To

The Superintending Engineer
5th Division

Sir,

In reply to your Memorandum of the 6th instant No. 891 calling, in the first place, for further information regarding the services of Gopaulsawmi Naidu and Arnasawmi Mudali from the 5th April 1847 to 30th April 1856, and secondly to explain the breaks in Gopaulsawmi's services, and why he took up temporary employment on reduced pay in October 1857.

2. As regards the first request I regret to say that I am unable to furnish any information beyond that which appears on the face of the Pension Registers, which was given to me by the men themselves, for I have no records whatever of the services of these two individuals, who were not employed in the South Arcot District during the period alluded to.

3. The second request I can in a measure, deal with. On the 1st October 1857 the late District Engineer, Captain Foord, dismissed Gopaulsawmi from his appointment of Sub Overseer, as he had at that time more Sub Overseers in his District than he required. The man took up temporary work as a Maistry for 5 months, and then he went to the Chief Engineer at Madras, who restored him his appointment. This is the man's own tale, which I think is the truth, for, as I have already stated, I have no records of any kind regarding the services of these two men.

I have the honor to be &c.

Engineer No 2 Range South West containing information connected with the services of late Sub Overseers Innaswami Mudali and Gopaulswami Naidu is submitted with the Division Registers of those individuals— The difficulty in tracing their whereabouts (who are not now in the Department) has been the sole cause of delay in replying to the calls of the Civil Paymaster.
