I William M. Chipperfield, Garrison Assistant Surgeon
of Fort P. George, do hereby certify that I have examined
Mr. B. C. Regal, Head Clerk, Mortuary Department,
Principal Inspector General's Office, Judicial Department,
and find that he is prematurely aged and debilitated;
he has a large arcus senilis on each cornea, and he
is also the subject of double lenticular cataract;
and I solemnly and sincerely declare that, according
to the best of my judgment, these affections disqualify
him for the further performance of his duties as
a Clerk, and that they are not the result of any
irregular or intemperate habits.
