2. The case of Peon L. Rungasawmy of the Commissariat Office at Secunderabad is different. He was discharged in 1861 on account of old age and infirmity, application on his behalf based on medical certificate should have been made at the time. The Government cannot after the lapse of so considerable a period pass a gratuity to him now. The Commissary-General is requested to explain why, at the time of Peon Rungasawmy's discharge, such application was omitted to be made seeing that he could not be classed with those who were thrown out of employ consequent on reductions of establishment.

3. Orders will be passed in the cases of the remaining two individuals, viz., Sungiah and Permaul, on the receipt of the separate report to be sent by the Controller of Military Accounts.

of 27 and 19 years in the Executive Commissariat Office at Trichinopoly and were thrown out of employment on reduction of Establishments from 1st May 1863. Their Services were continuous and character good. I would recommend the former for 6 Months and the latter for 5 Months gratuity.

4. The Services of Sengiah Cooper and Mennarungum employed in the late Sainnah Office were discontinued with owing to the abolition of that Office in February 1863. He has served uninterruptedly, and bears a good character. I would recommend him for gratuity equal to 5 Months pay.

5. Simechunda Purveyor of the Engineer Establishment, and Perumal of the Senghar Office have been recommended for gratuity equal to 3 and 4 Months pay. The former was discharged on the reduction of Commissariat Establishments from 1st May 1863 and the latter on reduction in Establishments in March 1862. infirmity. His Services have extended over a period of 50 years, and he is well spoken of by the Officers under whom he served. I would recommend him for a gratuity equal to 6 Months pay.

7. Putehapa Purveyor of Bangalore being old and unfit for further service was brought before an Invaliding Committee, the Proceedings of which are herewith forwarded. He was discharged on the 31st August 1863, after having served upwards of 20 years.

There is a break of 8 years in his Services, which arose from suspicion being attached to him in connection with a fraud committed by the Head Comptroller of the Arrack Branch whose Assistant he was at the time. Putehapa was however re-entertained when an opportunity offered on the recommendation of the Commissary General then in Office, who took his case into consideration, and had no objection to his being re-employed. He is recommended for a gratuity equal to 6 Months pay.

8. Some delay has taken place in submitting this application, but it

has

has been unavoidable. Several individuals
belonging to Establishments beyond seas,
who were recommended for gratuity, have
on their arrival at Madras, met with
re-employment, as vacancies occurred, and
sent to Rangoon and Thetaw, and, only
those for whom the boon is now solicited,
are bonafide without employment, by the
recent reduction in Establishments.
