The individuals enumerated in this list have served in the Taluk Coutcheries as peons and were thrown out of employment by the reduction of Establishments effected by the introduction of Mr. Pelly's schemes in 1860. The total period of their services do not amount to 30 years in full as to entitle them to the benefit of the Compassionate allowance. Their cases therefore come under the gratuity Rules applicable to servants serving in grades ineligible for pension. The collector begs to recommend that the amount of gratuity set opposite to the names of each individual to which each is

Report of the Civil Paymaster (— 10th April 1866 N^o 90)

Order thereon 16th May 1866 N^o 175.

The Governor in Council sanctions the grant of the gratuities specified to the individuals mentioned in the foregoing report, who have been thrown out of employ by the reduction of Establishments effected by the introduction of Mr. Pelly's schemes in 1860.

2 The Gov^t consider that the Collector has not satisfactorily accounted for the delay in submitting the

cases of these people. He
attributes it to the local
authorities, but the Govt
can only look to the Collector,
and as it was his duty to
see that the people who
were displaced were provided
as early as possible with
their gratuities, the Govt
cannot but view with
dissatisfaction the unnecessary
delay which has been allowed
to occur.
