Civil Super of Cud & Alaro.

Sir,

In obedience to your official summons of the 10th Instant, I have respectfully to inform your honor, that in conformity to the directions conveyed to me the annexed copy of the Civil Magistrate's official summons, No 256 dated 6th March, I do state, that when during the 16th year of my age, I was first entertained in government employ, and this is a correct statement of my age as therein called for.

2. As regards the business of leave other than Privilege and Preparatory leave granted to me, I do say that I never to call into real action, exactly as there during the period of my service (Casual leave not more than 5 days were granted to me and not amounting to 15 days in a full year) but, I am aware that two months Privilege leave was granted to

to me on account of my marriage from the
16th January 1861 and the other Prussian affairs
on half pay from the 17th June to the 30th of
September in 1862.

3 With respect to the explanation called
for by the Civil Pay Master, of the delay in
submission of my application for gratuity
is attributable, owing to the following reasons
I beg to submit to add:

That soon after the abolition of the
Court, I repaired to some of my relations and
arrived at Calcutta in Sep. 1863. I have several
applied to Government giving a full account
of the misfortune that befall of me & family,
and solicited their Orders that I may get a
Berth in any of the Public Offices in Calcutta
and received their favorable endorsement
dated respectively the 29th ^{of Feb.} October 1863 and 29th Feb.
1864 directing me to seek employment in Public
offices, agreeably to their Circular Proceedings
of the 18th Sep 1862 - whereupon, I was entirely
fatigued in so often applying to the Collector
where I beg to add, that there were innumerable
arrangements taken place from time to time
and

and the propriety of my applications to this Office
were never attended with the slightest success,
nor any sort of redress shown in reference
to the Government Order, in which I am
gratified my claim with that of my straightened
circumstances. I then, when I was called
upon the Collector Mr. Carrall and sent in an
application for a post then vacant. He ac-
companying (original) from Official Note dated
20th January 1865 was sent to me in reply to the applica-
tion in question, which I beg your honor
will be pleased to send it to the Civil Pay Master,
to accompany his report to Government for their
favorable consideration, but I regret to see
and utterly ignore to state, what were the opinion
last in my several applications, and at last arrived
to a conclusion giving no sort of satisfaction
done to me for the last eight and ten months.
On the other hand perceiving the weight of the
increase in my family and the hardships and
difficulties I had to undergo not only for our support
but that of our dearables and having contracted
debts nearly amounting to Rs 200 and this further
in me and am therefore compelled to apply for the

The 12 months pay as a gratuity in consideration of
 services for my past services in Her Majesty's
 Government and to relinquish the pressing demands
 of the Government.
 Had I been so fortunate enough, so as to
 have obtained a berth in the Comptroller's office,
 or any other Public Office in the interval
 there would be no receipt on my part for
 applying the gratuity as I will have to refund
 it again in either way.
 I have a wife and 2 children to support
 at Bangalore and the small pay now got in the
 great Southern of India Railway agents office
 being inadequate to support myself alone and
 therefore solicit that your honor will graciously
 be pleased to my poor and distressed family
 and obtain the gratuity sought for, at your
 honor's earliest convenience and thus relieve
 me from the painful necessities to which we are
 now exposed.
 I beg to remain
 With sentiments of respect,
 Sir,
 Your most Obedient and humble servant,
 M. N. Aliyanshy
