27 18 Sept 1863 published in page 642 of the Fort St George Gazette of 6th October 1863

ervice that applicant's service
under Government extends over a
period of 29 years, of which 1 yr 6 m 6-4-10
must reckon for pension as he
drew a salary of Rs 9-8-0 during
that time.

Deducting the period of leave,
viz 9 months enjoyed by applicant
during the term of his service which
counts for pension agreeably to the
calculation noted in the margin, 27 18 Sept 1863 published in page 642 of the Fort St George Gazette of 6th October 1863
there still remains a period of 22 years
9 months which entitles him
to a pension of Rs 4-0-0 equivalent
to 1/3rd of the average salary drawn
by him during the last five years,
and I accordingly beg to recommend
that the same be granted to him
for life.

The conduct and character
of the applicant have been, as far
as I can learn, generally good
during his tenure of office.

His heirs claim a gratuity and it seems to the undersigned they may be allowed to draw the Amount of Pension to which Thennevassa Row was entitled up to the date of his death.

The delay in the submission of this case is owing to frequent references having had to be made to the Collr about the services, date of death &c. of this individual as will be seen from his reply his Accounts sent.
