Official Memo

1. In reference to the first
para of the Memorandum of the
Secretary to Government in the Pension
Dept^{re} dated the 13th ultimo No. 184
the Collector of South Arcot has
the honor to state that the deceased
Pensioner Syed Mahomed appeared
at the Collector's office in the early
part of May 1864 i.e. about a
month prior to the date of his demise
when his services were verified
and his description taken
preparatory to the submission
of the Pension Roll.

2. Syed Mahomed was
then permitted to return to his
village, but the preparation and
final despatch of the application
for pension was delayed till the
22nd October last, and in the interval
he died ^{sub} of which this office was
not made aware at the time.

3. On receipt of the sanction
of Government the pensioners' attestation
was required to receive the
Certificate and then only it was
reported that he had died on the
date

date mentioned in the Secretary's
"Memo". The Pension due from
the date payment was authorized
by Government upto that of
Sayed Ibrahim's decease was
then paid to his nearest of kin
& the Certificate was duly returned
for cancellation.

4 There are a few other cases
of a similar nature ~~and~~ a remark
will be appended on the reverse
of the pension Certificate when
returned to Government - as this
will obviate the necessity for corres-
pondence on the subject.

5 The two reports referred
to in the 3rd para of the Memo under
acknowledgment relate to the
same individual and the
submission of a 2nd report was
a clerical oversight in the Collector's
office.
