SIR,

In continuation of my letter of the 4th October last, No. 1960, in connexion with which a reference for further information was made to me by the Civil Paymaster, I have the honor to submit a letter from the Professor of Vernacular Literature, certifying to the correctness of the ages entered in the Pension applications of Hyagriva Sastri and Vizagapermal Aiyar, together with a statement from the Principal of the Presidency College showing the leaves, other than privilege and preparatory, granted to them during their service. An extract from a letter from Mr. Thompson, dated the 16th instant, No. 78, showing how far the records of the College bear out the period of service of Hyagriva Sastri and Vizagapermal Aiyar, is also sent.

2. In accordance with the Civil Paymaster's requisition, I have to state that the services of Hyagriva Sastri and Vizagapermal Aiyar could not be dispensed with immediately on their producing Medical Certificates of incapacity, because it was found that considerable difficulty would be experienced in finding suitable successors to them. The 1st of January 1865 was fixed upon as the date for striking them off the strength of the College, with the view of meeting the difficulty in question.

The earliest acquittance Roll to be found among the records of the College dates from December 1850, and the names of both the Pandits are found therein; but from the letter-books of the College it appears that these Pandits were both in charge of classes on the 6th and 7th September 1848, so that there is no reason to doubt that the statement that their service commenced in June of that year is entirely correct.
