I certify that I have examined Anooputooral Kakeel in the Sessions Court of Calicut (there being no other medical Officer available) and find that his vision is defective, (presbyopic) the result of old age, also that his memory is failing him. Though not suffering from any special disease I consider him for the reasons above mentioned as unfit for further service.

His infirmities are attributable to age alone not having been induced by irregular or intemperate habits.
