This is to certify that Ayasamiy Pillay
is in my opinion unfit for further service in consequence
of the infirmities of old age & disease, which will physically
and permanently disqualify him for further active
employ and that these have not been occasioned by
intemperate or other irregular habits

Sir,

In submitting an appli-
-cation in the prescribed form
under the Government Rules dated
13th April 1864 for superannuation
pension of Aiyasami Pillay late
Maramut Superintendent of the
Shevagungah Estate when it was
under the management of the
Court of Wards, I have the honor
to report that Aiyasami Pillay
presented his application to the
Superintending Engineer who
referred it to me for disposal
under date the 26th January
last No 1750-

2 - The applicant had served in the Maramut Depart-
ment when the Executive was with
the collector & was promoted
to the office of Maramut
Superintendent of Shevagunga,
in which he served under the
Court of Wards until the
Estate was made over to the
Proprietor on his attaining
his majority.

3 - Aiyasawmi Pillay having
continued in the Zemindar's
service after the Estate was
made over to him, he had
not applied for pension
ere this.

4 - I beg to transmit a
list of his services under
Government, a Medical
Certificate & a Memo given
by my Sherestadar certi-
-fying

-fying the correctness of his
age - As no regular account
was formerly kept of the leave
obtained by such officials &
as some old records have been
destroyed, I have no means of
ascertaining the period the
applicant was absent during
the whole time of his service -
He is also unable to afford any
specific information on the
subject & asserts that the period
of his absence would not extend
to more than 6 months.

5 - The applicant having
served for upwards of 25
years, he is entitled under
the recent rules to a pension
equal to one half of his
average salary which is entered
in the appropriate column in
the Register of application.

6 - I beg to recommend
that his pension may com-
-mence

Sir,

Sir,

In reply to your official Memo dated 4th Ultimo No 145, I have the honor to inform you that Iyasamy Pillay was paid from 1st January 1833 to 31st December 1852 out of the amount sanctioned annually under Estimate on account of repairs &c. His name & office for those periods appear in the Returns submitted annually to the Engineer's Department.

ment.

2 - As regards the delay in submitting the application, I beg to explain that after a certain correspondence between me & the Sup^r Engineer 8th Div, it was under date the 28th Jan. 1864 finally referred by him for my disposal, as Dyasamy Pillay was employed in the Karamat Department under the Collector. The delay between that date & that of my submitting the application to you arose in consequence of a reference having had to be made to the old Records in order to ascertain the correct-ness of the periods of his service &c.

3 The Register of appli-
-cation returned with the
Memo

Memo under reply is retrans-
-mitted herewith, with the
needful information given in

Order thereon 19th January 1865 N^o 22.

The Collector of Madurai

Submits an application for pension on behalf of Agasamy Pillay, who having been employed in the Duraimut Department, was in 1857, on the

assumption by the Court of Wards of the management of the Shemungu Estate, employed therein as Maistry.

2. On the cessation of the Wardship on the 10th Nov^r 1859 the applicants

Service for pension amounted to 23 years 7 months and ten days.

3. He continued in the employ of the Zemindars, and in September 1863.

four

four years after he ceased to be a Govt. Servant, he applied for pension.

4. The only ground on which a pension can be claimed is that on the cessation of the wardship, the applicants' services as a Government Servant were dispensed with: but there is nothing to shew that had he attempted to obtain government employment he would have failed - while under the rules then in force, no pension could be claimed by an officer unless ^{on} a medical certificate of unfitness for service. The applicants' continuance in active work for 4 years shews that no claim on that ground can be sustained.

5. The Government therefore consider that Sydasamy Pillay has no claim to pension, and as there would seem little doubt that he would have obtained Government employ had he quitted the service of the Zemindary

25
and its transfer to the proprietors, they decline to pass to him a gratuity.
