N^o 97,

I Charles Murray Duff M.D.
Surgeon Major 3rd District, do hereby Certify
that V. Narainasamy Mondelly Miller in the
Office of the Commissary General's Department
Madras, aged about 50 years is suffering from
dimness of sight, Palpitation of the Heart, loss
of memory, general debility and nervousness
arising from a state of chronic Dyspepsia,
which prevent him from performing his
work satisfactorily, he also suffers occa-
sionally from Lumbago and Chronic Rheu-
matism.

I believe that Medical treat-
ment will be of little avail in his case,
and am of opinion that he is unfit for any
further service; and that the above state
of ill health has not been caused to
the best of my belief by intemperance
or irregular habits.

To

Sir,

With reference to your letter dated 18th March 1865 No 1441. I have the honor to inform you of the circumstances under which the services of Varransawmy Moodelly were dispensed with in the Executive Office Establishment at Vellore in 1850 and 1862.

In 1850 it was found that the Executive Establishment at Vellore would admit of reduction and consequently out of 6 clerks then employed in that Office, the services of two viz: the 5th and 6th of whom Varransawmy Moodelly was the 6th were dispensed with. In the early part of 1851. The Commissary General removed one of the Writers of the Vellore Office to that of Lichinopoly thus creating a vacancy in the former Office which was filled by the re-employment of Varransawmy Moodelly. He remained in this position until the separate Comm^{rs} charge at Vellore was abolished on the recommendation of the Revision Committee by which he was thrown out of employment.
