The humble Memorialist of
Sareedauee Rajalingum late
Goomastah Ganjam Seelundy,

That your Memorialist trusting your well known humanity must plead his apology takes the liberty to intrude upon your Notice —

The Governor in Council referring the Civil Auditor's report with regard to his claims for Pension, issued orders to the Collector of Ganjam to pay him the amount of his Six months salary Vizt 180 Rs. in gratuity for his services — The amount he has most thankfully received as it has been sametimed by his Majesty, but shall pay it back again, if he is of all right to be assigned a pension, partly because 2d. Clause of the Section 272 affirms that all Government Officers who have not completed the prescribed period of service but are found invalid for further use, are entitled to gratuity and partly because the Sections 201 & 239 Confirm that those who have done 20 years service render themselves liable to pension that is one third of it —

He has served the Government for upwards advanced and worthy of trust; he had proceeded hills, where he Esperienced, may hard ships on account of the illness, prevalent in that part of the Country—

The Amount of his salary had been during a long time, drawn with the Sadurward of the Ganjam Sebundy's which I beg to refer you to the Minutes of Consultation passed by the Government on the 3d November 1840 & 29th September 1851 No. 607 which contains the sanction of Government to that Effect— so that the Civil Auditor miscalculating the period of his long and ardous service recommended him for gratuity. In the Statement, shewing the period of his service he is ranked as Vakeel for the sebundy, By this the Civil Auditor should have taken him to have been a Vakeel, attached to a Regement, His rank is not of that discription, but a Goomastah, appointed as a Salary of Rs 30 and this appointment has been Sanctioned by the Governor General of India dated 14th January 1860 No. 91

The best part of his life was spent in serving in Govt. and for his great labour in collecting recruits to from the Sebundies for Sumbulpore, a Reward was awarded to him through the recommendation of the Commissioner of Cuttack—

The truth of what he has stated herein, may be ascertained by your honor by making a reference to the records— as well as the Accompanying testamonials— Under all these Circumstances your humble memorialist begs your honor to be kindly pleased to bring his poor case to the gracious consideration of the Government in Council, and recommended that he be assigned a pension, which he has very reason to ask for

Even these officers who have not done the prescribed period for pension, by containing their service, have procured their pension—

Your Memorialist have contained it all along, and if the Government in Council will not grant him pension for his life, he must be very unfortunate—

Several appointments in this part of the District have been lately abolished, and many of the men who held those appointments have been now taken—

He Viz: your poor Memorialist have done very hard service some times if not always in in the Hill Tracts of Orissa and has very hope that His Majesty in Council will grant him pension for his life. He has been for the last fourteen months without Employ and he and the members of his own family fifteen persons are very much distressed for want of food and Clothes—

He will not trespass upon your valuable time but in conclusion solicits that if he is not so fortunate as to be presented with pension, he may be recommended to the Collector of Ganjam to take him into his Consideration when an a vacancy suitable to his character occurs—

he had not done any fault in your Excellency's Government to not obtain pension — It is his misfortune to obtain from your Excellency the Endorsement stating that "the Governor General in Council declains to interfere in his case" on the appeal which he made to render justice as your Excellency being the appealate authorities —

4 Under these Circumstances your petitioner begs your Excellency will kindly be pleased to receive the whole proceedings and order to grant him pension for life or the Governor General will not grant pension to he solicits to favour all his papers to enable and to appeal in London — and your petitioner shall as in duty bound ever pray —

a duty is generally involved on Commissariat Conicapoly, and he also distributed provisions to the Goomsur Samstanum Peons who came in assistance to the Seebundy force when necessity accasioned, these additional duties and his meritorious Exertions will be testified by Majors Macdonal & Smith — He had been favoured with rewards from the Government for the Exertions he had experienced in Establishing the Seebundy force at Sumbulpore —

3. The Collector of Ganjam recommended your petitioner to Madras Government for a Superannuated pension as a special case, but the said Government was pleased to favour him with a gratuity of six months pay Vizt. 180 Rs. which your Petitioner received obeying the orders —

4. Your Petitioner on the 29th October 1862 addressed a petition to Madras Government stating that your petitioner is not Entitled to receive gratuity, that he is ready to refund the above sum; that it is quite unjust to with hold him from pension, and solicited to favour him with it in consideration of his services, in which all of his younger

days

days were spent in Government service, upon which the said Madras Govt. has been pleased to inform your petitioner by an order No. 3026 dated 6th January 1862 "that the service in the Seebundy as Vakell cannot be recogniged as Entitled to pension". On receiving this order your petitioner appealed to the India Govt. who upon perusing it required some papers which were not received by them and informed him (your Ptr.) by an Official memo dated 17th Feby/65 No. 796 that proceedings have been forwarded to the Madras Government, who directed the Collector of Ganjam to report your petitioner's case, the Collector submitted a report on the 21st April 1861 No. 81 stating that he had suffered very much with Malaria fevers and that he may be provided with a monthly pension of Rs. 15, upon which the said Government have in the proceedings No. 186 of the 11th June last resolved that "no pension will be allowed to Vakells — whose service is not reckoned with pension rules now in force, and that the Seebundy Sirdars (whose service although not reckoned in the pension rules) are Entitled for

for pension as they are the men of war - under these Circumstances your petitioner who is a servant of 22 years service was unjustly and unreasonably thrown out of the pension both by the Madras & India Govern'ts

5. The Madras Government who now designated your petitioner as "Vakell" and who had declined to favour him with pension as he was not a Goomastah had on the 3rd November 1840 and 29th September 1851 in No 607 nominated your petitioner as Goomastah of 15 & 17½ Rupees, in this goomastahs post his salary was raised to 30 Rs which was sanctioned by the India Government on the 14th January 1860 in No 91 as would appear in the scale list Copy of which is herewith forwarded for your Majesty's kind perusal - In such a case your majesty may observe how your petitioner became Vakell at the time of applying for Pension when he was designated as Goomastah during the whole career of his servitude —

6. It is quite unjust and unreasonable to withhold him from pension on the ground that your petitioner was designated as Vakell - Vakells are in general attached to the Regiments will not draw their salaries from the state, but from the Contractors allowance allowed to the Departmental Officers - He (your Petitioner) was not such a Vakell, but received his pay direct from the state as sanctioned by the India Government —

7. Your Majesty may now observe and bring into kind consideration the injustice done towards your petitioner both by Madras and India Governments in refusing him with a pension to which he is fully Entitled under the rules in force - The Government of Madras granted pensions to Sebundy Sirdars and the wife of late Kristnah Naidoo Writer of the late Maliah Agents Office reckoning the former as men of war and the latter through compassion, your majesty may refer Petitioner's case to Major Macdonald the Present Registrar General Madras and Captain Smith the

ther then Assistant Agent for the Exertions which he had experienced in the hills—

8. It is stated in Clause Section 272: of the pension rules that gratuity may be granted to those whose service cannot be recognized to pension, and in Section 201 & 229. that 1/3 may be granted to those whose service is 20 years, but it is not stated in any part of the said rules to withhold a pension to gomastahs and to grant the indulgence to Sirdars "as a special case".

9. If your Majesty would only consider the reason on which your petitioner was refused with pension (while that indulgence was granted to several of ~~the~~ Officers of his Department above specified) Your Majesty would at once observe the injustice done towards your petitioner. He served the Government for the space of 22 years without any fault with the fullest confidence of obtaining a pension in his old age, he is very much suffering

now for want of food & raiment being old and worn out for further service—

0. On your petitioners laying his poor case as appeal shewing the injustice done by the Madras Government before the India Government— The India Govt. has again referred him to the Madras Govt. who had once refused him with pension, but your petitioner begged the India Government to grant him their decision on which the said India Government informed him by a Memo. dated 14th June 1865 No. 282. stating the Governor General cannot interfere with petitioners case", Copy of the memorandum is herewith forwarded for your Majesty's Consideration—

Your Petitioner therefore humbly solicit your Majesty will be graciously pleased to view his case with a charatable feeling and convey instructions to the Local Government to grant him pension as provided in the Rules and thereby relieve him from his destitute Condition

ratuity of Rupees 180 or 6 months Salary
reference to a report from the Civil Paymaster, the contents of which have not been made known to this Office. Upon which Ramalingum petitioned both the Madras Government and the Government of India praying that, instead of a gratuity, a pension might be conferred upon him as has been the case with some of the Sirdars and Jemadars of the Sebbundy Corps.

2. In justice to Rajalingum, who served the Government as Sebbundy Vakeel for 20 Years, I beg to bring to the favorable notice of Government, that he has been disabled for further service owing to repeated attacks of Hill fever contracted during the periodical tours in the Maliahs, and that some of the Sirdars and Jemadars belonging to the same Corps as well as to the Meriah Agency Establishment have been granted Superannuation pension though not entitled to it under the Rules.
