On the 1 st occasion he lost his appointment by the release of the attestation of the State in which he was employed. On the 2 ^d occasion, he was suspended from office for 1 month and 18 days on a charge which was dismissed up on enquiry. On the 3 ^d occasion he was also suspended for having applied for leave, and was again restored to his post. On the 4 th and last occasion while he was Samudhar of Nayana Palli Mootak in Napatla Taluk, the State having been made over to the Proprietor V. Ramaswami Rao, his services were dispensed with and he was out of employ for 5-7-2. He was again employed as Samudhar of Tenali Mootak in the same Taluk on the 3 ^d April 1867, from which date upto 30 th September 1864 his service was continuous. Under the rules as the interval in the applicant's service, the beyond the prescribed period do not bar the whole period of service being reckoned towards pension, the total service of 38-2-9 has been taken to account.	16 3 2

Service of Applicant as verified by Civil Paymaster.	Average of salary for the last 5 years.	Remarks.
38-2-6	32-4-4	The services of P. Royappa Puntulu late Meristadar of Tumkonda Taluk have been verified from the Records of the Civil Paymaster's office and those of the collector of Krishna District and are as under: Period of service qualifying for Pension ————— 38-2-6 From 24th July 1835 to 22nd January 1836 " 20th February 1836 to 6th April 1836 " 19th July to 31st August 1836 " 3rd April 1842 to 30th Sept. 1844 He appears not to have had any leave which does not reckon for Pension. For the intervals between 22nd January and 20th February 1836 6th April and 19th July 1836 and 31st August 1836 and 3rd April 1842, he is stated to have been out of employment. For that period consequent upon the policy of the attachment of the Estate in which he was then employed and for the 22nd and 3rd he was suspended from office for reasons stated in Column 22 of the Register. The applicant is therefore entitled to a good service Pension of Rs 16-8-2, equal to a majority of his average salary for the last 5 years under Clause 4 of the Revised Pension Rules. No medical certificate is necessary. The cause of delay in submitting this application is explained by the collector in para 6 of the Memo given in Column 22 of the Register. As the applicant ~~has~~ was acting as a permanent from 24th to 30th December 1842 his permanent salary of Rs 15- — only has been calculated in the average of 5 years.

To The Civil Paymaster

Sir,

With reference to the official
memo from your Office dated 10th March
last N^o 266, calling for explanation
regarding the difference observable
between the Register of application for
pension and the detailed list of ser-
vices of Patri Rayappa Puntutu, I have
the honor to state that by oversight, the
intervals in the service of the applicant
were entered as "4" instead of "3" the
total vacant period is 6 years and
2 days, and not 6.6.3, as inadvertently
mentioned in Col 17 and 22. I have there-
fore to request you will be good enough
to cause the figures in the Register
to be altered accordingly.

I have the honor to be
Sir

Your Most Obedient Serv^t.
