From

C. W. Reade Esquire

Collector of South Arcot

To

The Chief Assistant to the
Civil Paymaster
Madras

Sir,

I have the honor to
forward herewith enclosed a List
of applications for gratuities for 66 Persons
who lost employment in the late re-
duction of Establishments.

2 In their order on the
two lists of the kind last submitted
from this office the Government re-
marked with displeasure on the delay
which appeared to have been allowed to occur
in submitting the claims of those Persons
to gratuity.

3 In explanation I have
to state that no unnecessary delay
was permitted either in the investiga-
tion of their claims by the local
authorities

authorities or in their subjection to
government. The grant of a gratuity
to abolished Peons of less than 30
years standing was not thought of
until the receipt in February 1864 of
the resolution of the Government of
India, sanctioning compassionate
allowance to Peons who had com-
pleted 30 years service at the date
of the reduction, when a doubt
arising as to whether Peons of less
than 30 years service were entitled
to a gratuity, a reference was made
by me in the May following to the
Board of Revenue. The Board's reply
declaring these class of Peons re-
ferred to eligible to a gratuity under
the old rules, was only received
about the middle of July last, and
then only were claims of the kind in-
stituted and the requisite enquiry and
personal examination made. It was
quite impossible that such enquiry &
examination could be made in haste

2
and without due care and caution, &
further it was only as claimants came
forward that they could be disposed
of, and the appearance of a considerable
body of men who, since their cessation
of office, have become scattered over
different parts of the District and
in some cases reside out of it, was
necessarily slow. The verification of
their services from old Vernacular
records has also been a further task
involving no little labor but within
the past 10 months the claims of 248
persons have been investigated and
submitted for orders, and I believe
there are only a few more remaining
for disposal and as soon as the
parties appear their claims will
be reported on.

4 I trust that this ex-
planation will satisfy government
and that I may be relieved,

The Services of within named individuals cannot be verified from the Records of this Office, as the Salaries of Pious were drawn without their names being specified, but assuming the period and Salary as given by the Collector of South Arabia to be correct, they are eligible to gratuity as set forth in Column 10 under the 10th rules.

These individuals appear to have been thrown out of employment in 1860. The Cause of delay in the submission of the application, is explained by the Collector in para 3 of his letter dated 15th June 1865 & N. 45.

The Gratuity of 5 Months Salary to Mahomed Hussain numbered 38 of 4 Months to Shewwajed Haick numbered 48 and of 3 Months to Pausy Haick numbered 55 as recommended by the Collector is not correct. They are severally entitled to 18th 27th 18th 15th and 13th 8th under the 10th rules.

aggregate to Pt 1483-8-1 one thousand four hundred and eighty three and Annas eight.

2. It is observed that (1) Muhammed Hussain (2) Shree Nivassa Naick (3) Panpy Naick are not entitled to the gratuities for which they were severally recommended by the collector viz to the first Pt 38 on the list, a gratuity of five months salary, to the second Pt 48, a gratuity of four months salary, to third Pt 55, a gratuity of three months salary; but that they are severally entitled to Pt 27, Pt 18 and Pt 13-8-1 the amounts which have been passed to them.

3. With reference to the explanation afforded by Mr. Peade of the delay which has occurred in submitting the gratuity lists on behalf of dismissed Beoms in his District

the Government observe that while they are not unmindful of the many causes which doubtless have combined to make the tracing of the claims of these Beoms a work of ~~much~~ difficulty, still that the delay has been greater than might have been expected.
