Four or five years after his entertainment, while he was Javadi of Repalli Taluk, he proceeded to Kallora on leave where he had to remain longer than the time allowed him and so he tendered a resignation of his post, consequently the first portion of his service i.e. 4-10-2 being deducted from the total service, the remaining eligible for pension is 25-9-20 which is continuous as shown by the record. During the whole length of this period of service, he continued to discharge his duties regularly and with unblemished character, but owing to infirmity and defective vision as certified by a Board of Medical Officers, he has applied for pension while holding the post of Taluk Shrinidhar of Repalli on a monthly salary of Rs. 55. I therefore recommend that under the new Pension Rules dated 8 th June 1863, the applicant may be permitted to retire on a moiety of his average salary of the last five years amounting to Rs. 20-12 from September last. The applicant has never obtained any leave.	20 12		Pichha District
