No. 385. Read the following Proceedings of the Board of Revenue, dated 14th January 1865, No. 208.

Read the following letter from A. HATHAWAY, Esq.,Collector of Bellary, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 13th September 1864, No. 160 :—

1. I have the honor, with reference to the Board's Proceedings, No. 5,995, dated 1st November 1861. Proceedings of Government, No. 2,069, under date 29th October 1861, to forward herewith a Tabular Statement explanatory of the result attending the experimental cultivation of Cotton for the second year, by the five Ryots of the Talook of Tadpatry, who have bound themselves to abide by the conditions prescribed for the same by Government. It will be seen from the above Statement, that the extent brought under the plough during Fusly 1273, under the instructions given them for the purpose, is A. 175, G. 5, A. 2, assessed at Rupees 219-8-6, being an increase of A. 23, G. 26, A. 10, at Rupees 42-12-6, over that of the previous Fusly 1272 ; while the out-turn was less than in the previous year.

2. Although the terms of the concession were to a certain extent adhered to by the five, Ryots, the quantity of the out-turn during the year under report is not encouraging ; the average per acre being from 5 to 8 Maunds of 25 lbs. each, while the quality is not quite up to the mark ; this is partly owing to the unfavorable season of the year, and partly to the little interest which the actual experimentalists take in the enterprize.

3. Samples of the Cotton and seed (selected for the current year) the produce of Fusly 1273, are forwarded in small parcels by banghy, for the inspection of the Board of Revenue.

4. I have the honor to request that the necessary sanction may be obtained for the usual remission of Rupees 176-12-0, the amount sanctioned last year in the Proceedings of the Board of Revenue, No. 4,086 of 6th July 1863.

5. The excess of lands cultivated by the five Ryots during the year under report, bearing an assessment of Rupees 42-12-6, for remission on which no sanction was granted them, will be charged against them in common with their other lands.

6. The Ryots will be warned that unless the results at the close of the current year are more favorable, the Collector will recommend that any further remission of assessment be stopped.
