Proceedings of the Madras Government, Public Works Department, 14th February 1865.

Read the following papers :—

No. 304. Proceedings of the Madras Government in the Revenue Department.

Intimating that the buildings proposed to be erected at Kristnapuram for the use of the Sub-Magistrate, &c., should be of an inexpensive character. } (Here enter 26th January 1865, No. 135.)

No. 305. From Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 28th January 1865, No. 5,406.

SIR,

1. The Government having, in Proceedings No. 2,283, 19th December 1864, in the Revenue Department, sanctioned the transfer of the Sub-Magistrate's station from Vencatagherry Cotah to Kristnapuram, the Acting Collector of North Arcot called upon me to furnish an approximate estimate of the cost of erecting *temporary* buildings for the purpose ; the Board of Revenue having decided upon treating the change of locality as a tentative measure, till the salubrity of the new site was ascertained.

2. As the terms 'temporary,' 'semi-permanent,' and such like, as applied to building, have a very indefinite meaning, and as I have a very great objection to be in any way a party to the construction of any thing not intended to last, I applied to and ascertained from the Acting Collector that the materials to be used in the construction were walls of brick set in mud, with jungle-wood and thatched roof ; and I eventually suggested, to which Mr. Banbury consented, that the work (roughly estimated by him at Rupees 150) should be carried out under the instrumentality of his own Department.

3. Funds are available from the sources hereunder shewn, and the permission of Government is solicited to the transfer :—

No. 306. ORDER THEREON, 14th February 1865, No. 437.

1. The Governor in Council sanctions the expenditure of Rupees 150 in the construction of a temporary building for the Sub-Magistrate's Cutcherry at Kristnapuram, in the North Arcot District.

Proceedings of the Madras Government, Public Works Department, 14th February 1865.

2. The transfer of funds, recommended in paragraph 3 of Colonel Boileau's letter above recorded, requires the sanction of the Government of India, which it is unnecessary to apply for, as the cost of the work can be met from the balance remaining to the credit of the Reserve under "Military." A grant of Rupees 150 from that source is accordingly authorized.
