Collector																									

In regard to the delay in the submission of this Application from 23rd July 1864 to 20th April 1865, the Collector begs to state that it arose in the first instance from the applicant having failed to appear in this Office for the requisite particulars as to the identification of his person &c., required to be entered in the Register being recorded. He did appear towards the close of 1864, and the subsequent delay of four months in this Office was owing chiefly to the division of the Office and the records when the Kacheri proceeded on Circuit for the Jannabandi immediately after the Christmas holidays, and to its then having been lost sight of for some time.

No. 31

From

J. W. B. Dykes Esquire,
Collector of Mallone.

To

The Honorable A. J. Arbuthnot,
Chief Secretary to Government.
Fort St. George.

Sir,

I have the honor to resubmit the application for pension in behalf of Mahommed Hussain, late Head Gumaastah of the Darsi Division in this District, returned for explanation, with your Under Secretary's Memorandum No 32, of the 18th July last, as to whether the charge of bribery for enquiry into which he is shown to have been suspended in 1848 was satisfactorily reestablished against the said Mahommed Hussain.

2

After a careful search among the records of this office as well as those of the

Sub

Subcollector and joint Magistrate by whom

Ghahammed Hussein was suspended, no

decision on the charge of bribery brought against

him nor record connected with the case can

be traced - But the orders to the Cashkeeper

and to the Head of Police of Darisi in whose

Division Ghahammed Hussein was then

employed have been found. These orders

however simply denote the fact of his sus-

pension for the purpose of inquiry and of

his being permitted to return to duty -

3 The Order to the Head of Police of

Darisi directing Ghahammed Hussein's return

to duty runs thus, The period of suspension

awarded Ghahammed Hussein having expired

he is allowed to resume his post, implying

as would appear that some definite time

of suspension had been awarded him whilst

the

1848 dated 22 June
1848, signed by Mr
A. Purvis, Acting
Joint Magistrate.

the order of suspension states it is "for the
purpose of inquiry" that he is suspended.

And in the absence of more definite infor-

mation, I would give him the benefit of

the doubt, and I resubmit the application

accordingly for the favorable consideration

of Government.

4 The delay in furnishing this infor-

mation is owing to the search among the

records of this Office found necessary, and

to a reference made on the subject to the Acting

Subcollector to which his reply was received

only on the 21st instant.

I have the honor to be

Sir

Report of the Civil Magistrate (— 13 June 1865 No. 16)
 From *The Collector of Nellore (— 2 October 1865 No. 31)*

Order thereon 13th Oct^r 1865 No. 391

From the above report it appears that the Services of Mahomed Hossain late Head Guma Stak of the District Division Nellore District, amounting towards pension, amount to 15 years, 10 months, and 23 days.

2. His character appears to have been good, but he was in 1848 suspended for 2 months in consequence of a complaint having been received to the effect that he had received bribes. The Collector states however upon enquiry

Recommendation of the Civil Magistrate Nellore for pension in the rank of a Subadar. The Civil Magistrate Nellore also states that the character of the said Mahomed Hossain is good.

enquiry that no decision appears to have been recorded against him, the collector's order simply denoting the fact of his suspension for the purpose of enquiry.

3. The Governor in Council is accordingly pleased to grant Mahomed Hossain a monthly pension of Rs. 6-12-0 being one-third of his average salary for the last 5 years under Clause II Section 6 of the Revised Pension Rules to have effect from the 23rd July 1864.

4. The Government do not consider Mr. Dykes' explanation of the delay in submitting the present application for pension ~~quite~~ ^{being} satisfactory. The applicant is ~~also~~ ^{to} be blamed for not having appeared at the collector's office for the entry of the requisite particulars as.

as to the identification of his person.

I really think it is due to the Govt. that they should know whether the ^{Prin.} S. General, or J. G. is of opinion that on a mere application from any stray individual who has not been under treatment, a medical officer can correctly certify that there is (1) "impaired vision" (2) "pain in lower" and (3) "Other general infirmities of old age". Nos 1 & 2 can be attested by any ^{observation} ~~comer~~ of the doctor ~~causing~~ with treatment & continued ^{observation} ~~say~~ the truth of the allegations. These papers show that a man of 50 years of age after 15 years service is found in the pension list where I fancy he will remain for years to come.
