The Secretary to Government
Pension Department

Sir,

In forwarding the Commissary General's
letter of 28 September 1865, #3203, offering a plan of
action called for in proceedings of Government, 25 Sept-
1865, #362, regarding the cause of delay in submitting
the application for Pension to K. Versalingum, late
Surveyor in the Commissariat Department at Vizaga-
patam, I have the honor to explain that the deten-

middle of April, was not completed in the more
examination of records until the end of May, when
another reference to the Commissary General, as to the
cause of reduction of the Establishment at Niagara, became
necessary. The verification of the Services of
Commissariat Servants generally involves much time
in consequence of the frequency of their transfers, and
the consequent difficulty of tracing them through
their various appointments. —

The certificate, received in this Office on
the 13 September 1865, subsequent to my report of the
24 August is herewith forwarded in support of the
Claim for Pension. —
