12th August 1865

From G. Vans Agnew Esq:
Sub Collector

To V. A. Levinge Esq:
Collector of Madurai.

Sir, In returning the applica:

:tion for good service Pension that
accompanied your letter of the 2^d
Instant No 1326, I have the honor
to state that my records shew that
Loobhiew was twice suspended
by the Joint Magistrate once in
1845 and once in 1849.

2 With respect to the first in-
stance he was suspended on the
28th February during an enquiry.
On the 20th April following Mr.
Blackburne directed his restoration
to

to office with payment of all arrears of salary "on the ground of no proof whatever and in belief there were no grounds of suspicion of extortion".

3 With reference to the second instance all the information derivable from my records is from Pay Abstracts for the months of May and June 1849. The suspension did not last beyond those months and the cause is unknown. It was inflicted by the Joint Magistrate and

Loobhien received the whole of his pay for those months. It may therefore be presumed that he was found to be blameless.

4 The fact of the occurrence in Loobhien's long service of these two temporary

temporary suspensions did not escape my notice in preparing the application, but as I considered that suspension from pay as well as from rank is essential to the deprivation of a public servant of the benefits of his service I was of opinion that it would be neither just nor correct to notice these short intervals of temporary and condoned suspension in making out the application.

5 As I am still of the same opinion and imagine that after this explanation you will concur in the same I return the application unaltered with a request that you will expedite its transmission for sanction as I am
very

very anxious to have the matter
settled as soon as possible.

I have the honor to be

Sir

Your most obed^t Servant

* An attested
Copy
Subhier 2^d Class sub Magistrate transmitted
to me by the Sub Collector.

2 The applicant was, on two occa-
sions, suspended, by the Sub Collector but
these orders were overruled by the
then Principal Collector, and the salary
due for the period he was under sus-
pension paid him - Consequently, this was
not shown in the Register of Application
as breaks in his service. The circumstances
of the Cases are fully explained in the
accompanying copy of the Sub Collector's letter
