He has always borne a respectable character & his integrity has never been impeached. In his younger days he is reported to have done good service & though I have myself ever regarded him as an inferior officer, still there is nothing on record sufficient to justify a recommendation for a less amount of pension than that to which he is entitled under the Rules, & I am accordingly recommending that he be granted the sum entered in the Roll now submitted.	104-2-8	South Arcot
