Report of the Deputy Accountant General.

(Here enter 27th October 1865, No. 146).

ORDER THEREON, 14th November 1865, No. 422.

The Governor in Council has much pleasure in granting to B. Sama Row, late Deputy Collector of the 2nd Class in the Bellary District, a good service pension of Rupees 221-8-0, to which his services of forty-two years entitle him, with effect from the 1st August 1865, from which day he ceased to be in Government employ.

2. The pension now granted is the largest which it is in the power of the Government to grant, being the half of Sama Row's average salary for the past five years. The Government fully appreciate the services of Sama Row, but they do not see in them any thing of such special character as to call for extraordinary acknowledgment.

3. The very meagre reports which the Deputy Accountant General submits render a second close examination in the Government Office necessary; while his practice of altering and writing over the list of services renders such an examination a work of extreme difficulty. The Government consider that the form of report in use in the late Civil Paymaster's Office, while it involved very little more labor, was very much more satisfactory, and they desire that it be re-established, unless Mr. Taylor can show strong reasons for its discontinuance.

Board of Revenue

Madras

Sir,

As directed in Proceedings of Government dated 27th ^{June} July last, No. 1443 Rev. Department I have the honor to submit herewith my application for a Superannuation Pension from 1st October 1865, and in so doing would solicit the favor of Government showing in my case their lenient consideration by granting a pension equal to half of my present salary and for which I shall feel very thankful.

2. I have the honor with reference to the 2nd para of the Proceedings above alluded to to state that I feel myself compelled respectfully to observe in exculpation of the remarks therein contained regarding the probability or otherwise of the energetic performance of my duties that the general remarks might with precision apply to several cases but that it does not, I respectfully submit, to one prior in my case as may be verified from local inquiries. In proof

things I may state that the amount of work, I have recently been entrusted with, which I have, and am conscientiously discharging to the satisfaction of my immediate Superior, both in the Revenue and Magisterial Departments taking down depositions in my own hand in one and all of these cases. I have the charge of four large and troublesome Taluqs in which the work is very heavy as could be testified by the Collectors.

3. I have succeeded in settling several intricate and complicated Revenue and Magisterial cases referred to me by the Collectors and Magistrates, which had for many years past been the sources of much trouble and danger to the interests of Government and public generally.

4. I have successfully introduced the Municipal Act into the town of Adour which was in a very dirty state and have done my best for the improvement of the Government School there.

5. Were it not for the satisfactory discharge of my duty as Deputy Collector and Magistrate the Collectors would not have been pleased to increase the number of Taluqs in my charge from two to four and recommended me to be invested with the full powers of a Magistrate and to employ me on the work connected with the

Railway

Railway compensation. Surely this ought to have convinced the Government that my services were useful and energetic as can possibly be expected from a man in my position.

6. Ever since my entrance into Government employ up to the present time I have the satisfaction of stating that my period of service was never interrupted nor stained with fine or any such flaws as to the truth of these statements I respectfully beg to refer to the Honorable Government to the Report of the ^{late} Collector Mr. C. Pelly to the Board of Revenue date and number as per margin.

7. As I am entitled to the special consideration of Government after so long and approved service, I beg that Government will be pleased to grant me pension equal to half of my present salary though the time requisite to entitle me to such is a little deficient.

8. If after a consideration of the above circumstances the Government would insist on my taking pension, simply on the ground that I am at a loss to see why the indulgence shown to persons of the grades of Deputy Collectors and Tahsil dars much older than myself should not be extended to me also.

9. I have the honor in conclusion to state for the information of the Board of Revenue that I had received the order of Government dated

dated 27th June last No 14,43 recorded in
 Board's Proceedings of the 6th instant on the 13th
 of this month while ~~in~~ only at Gooly and that in
 anticipation of seeing the collector in person
 on his way to Vunganoor in the Lathrae Ferry
 having previously learned of his intended visit
 to that village on Railway purposes I delayed
 submitting my formal application for Pension
 as directed by Government with a view of
 having my "personal identification No." registered
 in the prescribed form in presence of the
 collector, this delay having been unavoidably
 necessary I respectfully request the Government
 will be pleased to overlook the same.

Sir,

I have the honor to submit a Register of an application for a good Service pension, under para 6 of the Amended Rules for granting pensions, to be paid to Deputy Collector Thama Row.

2 Thama Row has served the Government faithfully for a long period, extending over 42 years, as shown in the Register.

3 He has had no leave of the description, which do not qualify for pension, since joining this District in his present capacity, but the records of my Office do not furnish any information on the subject during the period of his previous employment here. The Collector of Chingleput, Arcot, and Bellary will be requested to intimate to you, direct, whether he has obtained such leave during the time he served in their Districts.

4 Thama Row's Average salary per mensem calculated on the last five years of his Service amounts to Rs 448-4 for mensem. I would therefore recommend that a good Service pension equal to Rs 224-2 may be granted him from the first of August.

PROCEEDINGS of the MADRAS GOVERNMENT.

Proceedings of the Board of Revenue. (Here enter 5th August 1865 N^o 1)

The Collector of Bellary (— " — 3 — " — N^o 767)

Report of the Ag. Dy. Accountant General (— " — 27th October 1865 N^o 416)

Order thereon 14th November 1865 N^o 422.

The Governor in Council
has much pleasure in granting
to B. Sanna Row late Dy. Collector
of the 2^d Class in the Bellary
District, a Good Service pension
of Rs. 221-8-0 to which his services
of forty two years entitle him with
effect from the 1st August 1865
from which day he ceased to be
in Government employ.

2. The pension now granted is
the largest which it is in the
power

power of the Government to grant-
being the half of Sima Rao's
average salary for the past five
years. The Government fully
appreciate the services of Sima
Rao, but they do not see in them
any thing of such special
character as to call for extraordi-
nary acknowledgment.

~~2. The Deputy Accountant
General is in error in stating
that the largest admissible pen-
sion is Rs 230-0-0 the average
salary being Rs 443-1-4.~~

MA
altered by the L.A.C. Secy

3. The very meagre reports which
the Deputy Accountant General
submits renders a second
close examination in the Govern-
ment Office necessary, while
his practice of altering and writing
over the list of services renders
such an examination a work
of extreme difficulty. The Govt
consider that the form of report
in use in the late Civil Paymasters
Office

I think this had
better go separately
as a Memo

I am pretty sure in Madras. from
one wrote he of no work
CH

office, while it involved very little
more labour was very much more
satisfactory, and they desire that
it be re-established, unless Mr.
Taylor can show strong reasons
for its discontinuance.
