Report of the Civil Paymaster.

ORDER THEREON, 6th February 1865, No. 42.

The Governor in Council is pleased, in accordance with the foregoing report of the Civil Paymaster, to pass to P. Narrainasawmy Naidoo a pension of Rupees 21, being one-third of his average salary for the past five years, his service for pension amounting to 15 years and 4 months.

2. It appears that the applicant was certified to be unfit for service on the 29th September, but that he is still in employ, though 4 months have elapsed since that date. The attention of the Superintending Engineer, 8th Division, is called to the Notification of the 30th April 1861, published at page 591 of the *Fort Saint George Gazette*, and he is informed that his retention of applicant in the public employ so long after his being certified to be unfit for duty is irregular. He will report the date of applicant's relief, and the usual certificate will then be issued for the payment of his pension from the date of relief.

I have the honor to forward, for the
favorable Consideration of Government, a Me-
dical Certificate and a Register of Application
for Superannuation Pension, for the Draughtsman
in my Office, P. Narainswamy Naidoo.

2. In the Service Register, the age of this
individual is entered as 28 years when he
first entertained in the Public Service: but he
states that this is a mistake, and it should
be 36 years. Judging from his present appear-
ance, I believe that his statement is correct.

3. Narainswamy Naidoo was originally
entertained as a Draughtsman in April 1842,
on a salary of 7 Rupees per mensem, and has served
as such to the present date. The total period
of his service is 22 years and 5 1/2 months but of
this 4 years & 9 months having been passed in
a grade in eligible to pension, the actual period
for which pension is claimed under the revised
Rules is reduced to 17 years and 8 1/2 months.
