PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

rom Lieutenant Colonel G. H. Saxton, in charge G. and O. Survey, Waltair, 8th November 1865, No. 83 ; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to inform you that the within Order of Government, ddressed to the "Officer in charge of the Great Trigonometrical Survey of India, Waltair," was brought to me, and being in charge of the only Survey party at this ation, I opened it, and beg to return the same with the required information, as r as I have the means of affording it. Mr. Clarkson being at the station, I thought better to apply to him. Should the information supplied by that gentleman be sufficient, an official document could be obtained from the party he was attached , when transferred to the Pension Establishment, *viz.*, the Coast Series Great rigonometrical Survey, which at present is quartered at Bangalore, under the harge of Captain Branfill, who by this time will probably be in the field, on the oast near Madras.

MEMORANDUM.

The undersigned will be obliged, if Mr. Clarkson will kindly furnish him with the information lled for in the within Order of the Madras Government. This communication is evidently intended r the Officer in charge Coast Series, but having opened it, Lieutenant Colonel Saxton will address he Secretary to Government, and if the information can be afforded, especially if accompanied with ny official document or extract therefrom, trouble and delay may be avoided.

(Signed) G. H. SAXTON, Lieut. Colonel,
In charge G. and O. Survey.

VIZAGAPATAM, *8th November* 1865.

MY DEAR SIR,

I had applied to Captain Branfill for the information required, and supplied it, on receipt, to the fficer in charge of the Treasury here, for transmission to the Accountant General, Madras, who ad written to the Bengal Government for the same ; and I can only afford you copies, which I ith great pleasure enclose.

Any statement from myself I apprehend would hardly be satisfactory—the circumstance that as called for the information is, that I was paid pension from the 17th August 1864, the day on hich I was removed from the establishment ; but the sanction of Government is dated 6th May 865, and no date was specified in my pension Certificate, the Accountant General is therefore of pinion I should be paid from the date of the Government letter, and warned the Officer in charge the Treasury here of having disbursed my pension from the 17th August 1864, on his own sponsibility.

Your's truly,
(Signed) R. CLARKSON.
