*Proceedings of the Madras Government, Pension Department,
6th February 1865.*

Read the following letter from the Collector of Madura.
(Here enter 24th January 1865, No. 176.)

ORDER THEREON, 6th February 1865, No. 43.

The Collector of Madura inquires, with reference to a grant of pension to Abdul Khader, late Salt Amildar, "the particulars of the service disallowed as not computable for pension, and the principle which guided it."

2. It appears that the applicant's service from 1st October 1828 to 10th January 1837 was disallowed by the Civil Paymaster in his report, on the ground that he did not complete 22 years of age till the latter date.

3. This now seems to be an error, since if, as the Civil Paymaster evidently premised, Abdul Khader was, as stated in the application, 59 years old on the 10th January 1864, he attained the age of 22 on the 10th January 1827, not 10th January 1837 as stated by the Civil Paymaster. The error was not detected in the Government office.

4. The pension, however, which has been granted him is not affected by the disallowance of the service in question, and will remain as already fixed.

The Collector of

the ground that he did
not complete 22 years of age
at the latter date.

This now seems to be
an error, since if, as the
Civil Paymaster evidently
reminded, Abdul Khader,
as, as stated in the application,
born 59, on the 10th Jan'y 1864,
he attained the age of 22 on
the 10th January 1886, not 10th
January 1887 as stated by the
Civil Paymaster. The
error was not detected in
the Govt. office.

The pension however
which has been granted him
is not affected by the disallow-
ance of the service in question,
and will remain as already
fixed.
