ORDER THEREON, 12th December 1865, No. 455.

On the receipt of the above application for pension, it was noticed that the alleged service of the applicant from the 1st November 1847 to 30th November 1850, in the Timber Department at Thyetmew, was unsupported, except by an affidavit from the applicant. A reference was made on this point, and the Commissary General reports that the accounts of the Timber yard were kept separately from the Commissariat Accounts, and that no one is able to state to what Office in Calcutta the accounts were rendered. There appears to be no ground for distrusting the applicant's affidavit; and looking at the fact that his service came to a close in May 1863, more than two and half years ago, and that delay of many months would probably be caused by further references to Burmah and Calcutta, the Government resolve to accept the affidavit as proof of petitioner's service.

2. M. Colundavaloo *alias* M. Govindoovaloo Moodelli's service appears to amount to 22 years, 2 months, 21 days, and for this period, the Government are pleased to grant him, under the old rules, a pension of Rupees 34 per mensum, being one-third of his average salary for the last five years of service—to have effect from 22nd May 1863, the date on which he was thrown out of employ.

3. The Collector of Madras will make the necessary arrangement for the payment of Colundavaloo's pension at Saint Thomas' Mount.

Memorandum.

Referring to Memorandum dated 23rd October 1865 from the Under Secretary to Government Pension Department, the Commissary General has the honor to state that neither the records of this Office nor those of the Executive Commissariat Office at Moulmein afford any information regarding the services of Colundavaloo Moodelly in the Timber Department at that Station from November 1847 to November 1850.

2 Although the duties of the Timber Department were conducted under the Orders of the Executive Commissariat Officer, yet Colundavaloo states the records thereof were kept distinct from those of the Commissariat Department and the Accounts forwarded direct to the Supreme Government, but as Colundavaloo was at that time employed in the clerical duties of the Timber Yard and had nothing to do with the preparation of the Accounts he is unable to recollect after such a lapse of time to what particular authority these Accounts were rendered.

3 This Office therefore finds it difficult to ascertain to what Authority in Bengal a reference should be made. An endeavour will nevertheless be made to obtain the requisite information if this considered absolutely necessary, but as it would cause great delay and as Colundavaloo's services exceed 20 years even if the period under reference is excluded it will probably be considered that the Affidavit already submitted is sufficient.

4 On the departure of H. M. 94th Regt. from Moulmein to Calcutta in January 1846, he was transferred from the situation of Head Hospital

Conicopoly to Assistant Executive Conicopoly on the 31st January 1846, as his services with that Regiment &c were no longer required. Hence the decrease from Rs45 to Rs25.

5 Columdavaloo states that in November 1850 his Services were not required in the Timber Establishment, he was then sent to Mergui, an out-post on a Salary of Rupees 28 " — "

6 The reduction from Rupees 105 to 100 was made on 1st May 1860, in pursuance to instructions from the Commissary General vide accompanying Copy of Letter No. 5812 dated 2nd April 1860 to the Executive Commissariat Officer Rangoon.

7 The alterations and removals in the two previous instances were effected by Executive Commissariat Officers. No Copies of Orders can therefore be furnished.

8 The Pension should commence from 21st May 1863, the date on which Columdavaloo was thrown out of employment, his situation of Head Store Keeper at Thyetmew having been abolished as required by para: 16 of the Orders of Government No. 422, 6th February 1863.

9 The Register of Application for Pension was forwarded by the Executive Commissariat Officer Thyetmew on the 30th May 1863 but in consequence of its having been prepared in an imperfect state, and the Applicant having been on leave, it was not possible to have the document amended before he returned to Madras and appeared at this Office in the end of 1864, when the required information was obtained from him and the Register duly forwarded.
