2. The Government observe that the Collector states in his letter that the Record-keeper has verified the services of certain peons, and that he found, when their claim was for gratuity only, that their ^{was considerably} services ~~evidently~~ less than he subsequently found them to be, when the peons applied for pension. Mr. Fraser does not state that he has satisfied himself that the verification of the Record-keeper was correct, and the Government desire that he will report what steps he took to satisfy himself of the accuracy of his Subordinate's report, in cases so doubtful in their character. Orders will be passed on the cases of these peons on the receipt of the Collector's report.

3. The case of Peon Bonam Bangana: ^{will} now received, be referred to the Accountant General for the usual verification.
