*Proceedings of the Madras Government, Pension Department,
24th February 1865.*

Read the following papers :—

From the Registrar of the High Court, Madras, on the Original Side.

Report of the Civil Paymaster.
(Here enter 24th January 1865, No. 172.)

ORDER THEREON, 24th February 1865, No. 68.

The Civil Paymaster reports on an application preferred by the Registrar of the High Court, Original Side, for pension on behalf of the Manager of his office, Mr. C. P. Doneaud.

2. It appears that Mr. Doneaud's entire period of employment in the Registrar's Office was 29 years, 4 months, and 20 days; that there was a break of 3½ years from 1856 to 1859, caused by ill-health; and that, having been relieved on the 30th June 1864, he was certified to be unfit for service only on the 30th November.

3. The period of employment before the establishment of Her Majesty's High Court of Judicature, on the 1st June 1863, was not in Government service at all.

4. The Registrar of the Supreme Court was paid by fees, and had to perform, in consideration of the receipt of such fees, certain duties, for his assistance in which, he employed the applicant, who was thus his servant, paid out of a quasi-contract allowance, but in no sense a Government servant. Hence, the whole of the service, prior to 1st June 1863, must be struck out. Had this not been done, the break of three years would have been a bar to the computation of service prior to the break.

5. There remains, therefore, for computation, only one year and one month from the 1st June 1863, to the 30th June 1864, and for this period the Governor in Council is unable to pass to Mr. Doneaud more than a gratuity of one month's salary, or Rupees 75.

6. Considering the nature of Mr. Doneaud's disease, and that he applied for pension to the Registrar on the 15th July 1864, the Government consider that a reference to the Government of India is not necessary, although the Medical Certificate should have been furnished at a much earlier date.

years of service, having applied to me for a
Certificate on which to ground an application

I hereby Certify that I have Carefully examined
the individual and find that he is suffering
from general debility and long continued leprosy
state of left hand and both feet which in-
capacitates him from further effective service;
and I do declare that, to the best of my
knowledge and belief, these disqualifications
have not been occasioned by intemperance
or any other irregular habits.

Sir,

I have the honor to acknowledge the receipt of
your memorandum dated the 8th Ultimo and in reply
to state that the reason why Mr. Doneaud's name did
not appear on the regular Establishment of the late

of Her Majesty's High Court at Madras, the Clerk &c of the
Registrar of Her Majesty's Supreme Court were paid by that
officer from his fees, but that since then Mr. Doneaud's
name will appear in the Abstracts to Her Majesty's
