*Proceedings of the Madras Government, Public Works Department,
16th February 1865.*

No. 359. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Waltair, 26th January 1865, No. 1,558 :—

SIR,

1. In the list of Establishment sanctioned for the Dowlishweram Workshop, G. O. No. 1,106, dated 18th April 1864, the grade next to that of Superintendent is composed of men who, though good Foremen of their respective trades, are of course altogether unfit to superintend the Factory when the Superintendent is either absent on leave, as now, or for short periods prevented by indisposition from attending in the Workshop.

2. The inconvenience resulting from this is noticed in my letter, No. 1,449, dated 16th instant.

3. I have therefore the honor to submit for sanction a revised scale of pay for members of the Workshop Establishment, compared with that sanctioned in G. O. above quoted.

*Proceedings of the Madras Government, Public Works Department,
16th February 1865.*

4. The total sanctioned charge would be slightly reduced, and the establishment would, I think, be more efficient than that on the scale originally drawn up. We should not be as we are now, dependent on one man, and the shop would be educating and giving experience to men who would look forward to taking the places of Foremen.

5. If the appointment of Deputy Superintendent on 100 Rupees a month be sanctioned, I propose to offer it either to the person deputed to act for Mr. Ross, in compliance with my letter dated 16th instant, or to Mr. Joyce, and I trust that the principle adopted in Mr. Ross' case as regards rank in the Department and service for pension will be followed—*vide* G. O. No. 1,625, dated 3rd June 1864.

No. 360.

ORDER THEREON, 16th February 1865, No. 462.

1. On the recommendation of the Superintending Engineer, 1st Division, the Governor in Council sanctions the revised scale of Establishment proposed in the foregoing letter for the Dowlaishweram Workshop.

2. It is observed that the cost of the proposed Establishment is Rupees 201 less than that sanctioned in Proceedings No. 1,106, dated 18th April 1864.

3. As it would be difficult, in the absence of a prospect of a pension under the Uncovenanted Service Rules, to secure the services of a competent man for the post of Overseer in the Dowlaishweram Factory, the Governor in Council resolves to direct that service in that appointment shall reckon as qualifying for pension.
