(Here enter 20th February 1865, No. 43.)

ORDER THEREON, 15th March 1865, No. 91.

The Agent to the Governor in Vizagapatam forwards to Government a letter from Colonel Saxton, conducting the Survey in the Jeypore country, reporting the death of a cooly named Boodoo, who was killed by the accidental fall of a tree while clearing jungle for the Survey operations.

2. The application is not sent in in the prescribed form; but considering Colonel Saxton's isolated position, and his departure to the Central Provinces, the Government do not consider it to be necessary to call for it. Colonel Saxton seems to have made a careful inquiry, and, as the spirit of the rules have been complied with, the man was killed while engaged on public duty, and it appears that the deceased has left a wife and four young children without the means of support, the Governor in Council resolves to authorize the Agent in Vizagapatam to disburse to the relatives of the deceased Rupees 24, being the equivalent of six months' pay.

Sir,
I have the honor to enclose a letter in original dated 8th. Idem from Lieutenant Colonel Saxton, in charge of Ganjam and Orissa Survey, reporting the accidental death of a Cooly named "Boodoo" of Kamavadi, a village in Jeypore, while engaged in public duty. The Rules in such cases do not admit of a Pension to deceased's relatives, as Colonel Saxton seems to suppose, but of a gratuity of six months pay only; and I have the honor to request that sanction may be granted for the disbursement to deceased's widow (the children being of tender age) of the sum of Rupees 24, calculating deceased's pay at 4 Rs a mensem, which is a moderate estimate.

2. Colonel Saxton has not submitted the application in the prescribed Tabular form; but he certifies that it is based on immediate and personal enquiry; and as he is about to leave the Jeypore country for the Central Provinces, it is hoped that the case need not be remitted to him.

3. The charge can be met from my Budget Funds VII Superannuations, Grat. &c.
