The Chief Secretary to
Government

Sir,

From the Secy to Govt 22nd December 1820.

To Do 25th Feby 1822
From Do 19th March.

11 - The Sibbendy Corps employed in Tinnevelly having attracted the attention of Government in the year 1821 were ordered to be reduced to the extent of the Guard doing duty over the Collector's cash chest, and a detail of invalids were furnished for that service. Its restoration to nearly its former strength was however recommended by the late Collector as "the best security for the preservation of cash collected in the Talooks & for its transmission to the Hoozoor" but it being remarked that the arrangement proposed provided for a Guard of Tynaut Sibbendy at the Hoozoor and no communication of the discontinuance of the services of the Invalids having reached the Board they called upon the present Collector for explanation on the subject. — From his letter it appears that the detail of invalids placed at the Collector's disposal

in 1821 were by orders of the Officer Commanding the Southern Division withdrawn in April 1823 & that a Havildar's Guard of regular Sepoys has subsequently been furnished for duty at the Revenue Treasury. The weakness of the latter Guard is stated to render necessary the employment of Tynaut Sibbendy at the Hoozoor "partly as a support & partly as a check to them." The Board altogether disapprove of the divided responsibility which an arrangement of this nature would establish & purpose instructing the Collector, should he consider the present guard of regular Sepoys insufficient, to apply in the proper quarter for its augmentation, and in anticipation they have struck out of the establishment the detail intended for duty over the Treasury with the exception of the Jemedar. The Sibbendy retained in the Talooks appear to be on as reduced a scale as possible.

opposed the introduction of a good system of Revenue Management into Tinnevelly & the Board have more than once had occasion to remark a want of method in the administration of its affairs, they consider it absolutely necessary that the Collector should have an efficient establishment at his disposal to enable him to correct what is amiss & to reduce to order & regularity the Collection of the different branches of revenue under his control. With these observations the Board beg leave to recommend that the proposed Establishment as modified by them amounting to Rupees 12770-3-11 per Mensem may receive the Sanction of Government from the commencement of Fusly 1236.
